RALPH M. BROWN ACT TRAINING

- By Noel J. Doran

Brown Act Preamble

section 54950

- In enacting this chapter, the Legislature finds and declares that the public commissions, boards and councils and the other public agencies in this State exist to aid in the conduct of the people's business. It is the intent of the law that their actions be taken openly and that their deliberations be conducted openly.
- The people of this State do not yield their sovereignty to the agencies which serve them.
- The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know.
- The people insist on remaining informed so that they may retain control over the instruments they have created.

Propositions

Two basic proposition that create the framework of the Brown Act are...

- 1) The open conduct of the people's business
- 2) Citizen's retain control of their government

Who MUST comply

- City Council
- Planning Commission
- Other Boards and Commissions
- **All Standing Committees**

Open Conduct of the Public's Business

- Public agencies exist to aid in the conduct of the people's business
- Actions taken openly
- Deliberations conducted in public
- At a public meeting

Open Meetings

MEETING...any gathering of a quorum at which business under the Committee's jurisdiction is discussed or transacted.

For the General Plan Advisory Committee, a quorum = 7

Exceptions

- Individual Contacts
- Conferences
- Community Meetings
- Meetings of Other Government Agencies
- Social or Ceremonial Events

What's in a Name?

That which we call a meeting by any other name would not a quorum meet?

Apologies to William Shakespeare

Tragic Meetings

a.k.a. Serial Meetings

A meeting that at one time may involve less than a majority but eventually involves a majority.

Examples:

- 1) Hub & Spoke
- 2) Daisy Chain

What to Watch OUT for

- Contact with staff
- Contact with Committee members
- Contact with constituents, developers and lobbyists
- Technology
 - a) Emails
 - b) Social Media

Notices & Agendas

- Agendas for regular meetings must be posted 72 hours in advance
- 24 hours for Special Meetings
- 1 hour for Emergency Meetings

Citizens' Control

Purpose of the Brown Act is to ensure the citizens retain control of its government by protecting citizens' rights:

- The right to be informed
 - Agendas
 - Public votes
 - Public records
- The right to meaningful participation
 - Public testimony
 - No conditions to attendance

Right to be Informed

- Public has the right to review agendas and other writings distributed to a majority of the Committee
- Documents must be available to public at the meeting if prepared by City staff
- If prepared by some other person, document must be available after the meeting

Right to Participate

Public has the right...

- To have prior notice of meetings and items to be discussed
- To attend meetings
- To record meetings, both audio and video
- To speak on a specific item during its consideration

Public Participation

- Cannot prohibit public criticism of policies, procedures, programs or services of the City or the acts or omissions of the Committee itself.
- May enforce time limits, restrict repetitious or irrelevant comments and prohibit disruptive comments or behavior

Agenda ~ Notice of Items

- Committee may **ONLY** discuss those items listed on the agenda

Closed Session

- Executive sessions, closed to the public are permitted in very limited circumstances but these do not generally apply to the General Plan Advisory Committee

Remedies

- Action taken in violation may be invalidated
- Violation with improper intent is a criminal misdemeanor by a member of the legislative body

WHAT IS A GENERAL PLAN?

What is a General Plan?

“Vision about how a community will grow, reflecting community priorities and values while shaping the future.”

- Long-term policy document to **guide the future actions** (policy choices + development applications) in Palmdale
- Establishes the **City’s vision** for the next 25 years
- Preserves and enhances **community strengths**
- Addresses a number of **topics of concern**
- Enables the community to come together to develop a **shared vision for the future**

WHAT IS A GENERAL PLAN?

A General Plan is like a road map for the future of the City of Palmdale.

1

General Plans describe the community's vision and identifies strategies for managing preservation and change.

The State of California requires every city and county to have a General Plan to guide growth.

2

3

General Plans typically include goals, policies, implementation strategies and supporting graphics.

These components work together to convey a long-term vision that will guide local decision making.

4

5

The General Plan also plays an important role in regulating land use. Its policies and maps form the foundation for City ordinances, guidelines and plans.
