112	I prefer to our city to eventually relocate Palmdale's city center anywhere within these boundaries: from W 10th St. (Western end) towards W 5th St. (Eastern end), and from W Palmdale Blvd. (Northern end) towards W Rancho Vista Blvd. (Southern end). Chosen this area mainly for its convenience of short/quick access to the bordering 14 Fwy, also for still having many undeveloped plots of land in that area to better use of existing facilities/businesses already in that area, and possibly attract more future retailers and facilities in the coming years. Also the undeveloped lots can be less complicated to start planning and development compared to already existing developed lots. Plus, I think it would be a great chance for Palmdale to be able to focus on design and beautification to make a nicely well done statement to our city's beauty, that's usually looked over. I honestly would like our city to really focus and improve on livability, development, and city beautification. Revamping the way our city looks I think would improve our citizen's mood and their quality of life, similar to what the Santa Clarita area has done. Having family who also live in Santa Clarita, they definitely enjoy making to move towards there and can see many of its citizens do as well. Would like to see the same eventually in Palmdale as well, making our city more exciting and attractive to its citizens and to those who visit our city.	7/3/2019 3:12 AM

When I say revitalize, it's also with the intention to keep the local businesses open that are already there & not drive leasing prices so high that they can no longer afford to have their businesses in the location they currently do.	6/24/2019 7:59 AM

160	As long as it's not built on an empty lot. Having a city center will increase the rent for businesses in the area and make overall living expenses rise without the median income changing. I also remember back in 2009 when they were supposed to build the plaza there but never did. It's the perfect location and in walking distance for people to go to it. I think it should be pretty deep in the East side since Lancasted Blvd (while nice) is so far west. Even if it's not in that exact location it should be well into the east side of Palmdale. Like on the westside there Marie Kerr park or the Mall that serve as "centers" similarly the library and city hall and the square. There is a need of a well developed city center, but also satellites on either end with an event that connects the three ie the bike tour, or a marathon, something.	5/31/2019 3:55 PM

## Q9 Thinking about the future of Palmdale, what words or phrases best describe how you want to see the community in 2045?

Answered: 600 Skipped: 164

#	RESPONSES	DATE
1	Vibrant, diversity in housing options, more well paid jobs other than medical & aerospace.	8/30/2019 12:35 PM
2	Upscale: catering to working people. Attention to landscaping and beautifying the city.	8/29/2019 9:40 PM
3	I want Palmdale to be more acceptable, respectful, and open-minded towards other people in this community. With the current leadership of this country, Palmdale has been a place where small-minded and bigoted people commune and disrespect others based on their orientation, background and race. Palmdale needs to improve quality of life services, get rid of old-age thinking, and provided commodities with the open land available in this City.	8/28/2019 10:57 PM
4	Nice place to live	8/28/2019 7:16 PM
5	I would to see Palmdale, not just known for Aerospace and a "bedroom community" but a "Place to work and call home" ...more sustainable jobs that would stop the commuting to allow families more time to enjoy quality time.	8/28/2019 3:14 PM
6	Very safe, vibrant and orderly community. We should model Santa Clarita valley community	8/28/2019 8:04 AM
7	Safe. Upper middle class. Conservative. Clean. Job rich. Aerospace. Amenity rich. Active. Diverse.	8/27/2019 10:51 PM
8	It should look like Valencia, more transportation like bikes, etc. like LA, botanical gardens, museum, more recreation centers, etc.	8/27/2019 7:07 PM
9	Artsy, diverse, eco friendly	8/27/2019 6:44 PM
10	Diverse, innovative, progressive	8/27/2019 6:27 PM
11	Nicer areas, movie theatres	8/27/2019 3:32 PM
12	Safe, family friendly, clean, new, easy to get around, fishing friendly,	8/27/2019 3:22 PM
13	An American Destiny. Where one can raise a family that grows to invest in their own community, not commute for hours. Residents need a reason to have more pride in our community.	8/27/2019 2:07 PM
14	Less crime, more opportunity.	8/27/2019 2:05 PM
15	less deserts and more green areas	8/26/2019 7:08 PM
16	Bikeable, green, inclusive, opportunities, tech jobs, destination	8/26/2019 4:24 PM

40	A diverse community that frankly doesn't revolve so much around children (we have nothing for adults in this community-only for children and the elderly-pottery class please????). We need to attract upscale business, and reject the fact that its ok to have a ghetto with an overwhelming number of welfare recipients on the east side. How can we better our community when our officials think its ok to have a homeless encampment on avenue H, cockroaches all over the west side, and everything that encompasses the hole on the east side. We can not and do not want to be the dumping ground of Los Angeles any more!	8/5/2019 12:25 PM

45	Look at Palm Springs. We could be very much like that city. See how the have revitalized the city and down town. The freeway entrances into Palmdale should be addressed. Again look at the Pride of Palm Springs when you get to freeway exits.	7/29/2019 11:15 PM

64	The city, particularly the east side of Palmdale, is becoming more and more a hub for low income and crime. I understand that we need to service all people, but there are large populations of people with disposable income/ families or older adults with grown children who would love safe areas for shopping, dinning and entertainment that isn't crowded. Unfortunately, a lot of people feel unsafe and choose to drive to other city's for entertainment currently. Since Palmdale is so large, having more options to service multiple areas of the city; perhaps by zip code, might be an option so things are more spread out and more options are available closer to home for each section of the city. I feel there is a market for more upscale establishments in the west side; unfortunately there is nothing currently. I have been disappointed with some choices, such as putting in a Walmart neighborhood mart instead of a true upscale grocery store that was zoned.	7/26/2019 6:47 PM
65	Less crime. More residents willing to maintain their homes and yards beyond using them as trash dumps. Less junk dumped along our roads. Grocery stores with floor plans that are not developed to protect against shoplifters.	7/26/2019 4:59 PM
66	I would like the city to be able to control the homeless issues. Before the LA country continues to send their homeless to our city. We need to be able to get a grasp on the people that we already have. We do not have enough jobs in the city to reform. Therefore it is a problem for the working class and non- working class.	7/26/2019 12:44 PM
67	safety, community events fwy expansion	7/26/2019 12:16 PM

82	safe and moving forward	7/25/2019 9:36 AM
83	1.Commercial airport open. 2.P-8 freeway/railway connected across to Victorville.	7/25/2019 8:30 AM
84	Why are so many low income housing projects going up. I think too many can be a detriment to the valley. The same with housing vouchers. Build facilities to help get the homeless who have been turned out from hospitals back into a safe mental health facilities where they can be cared for. Let's start there.	7/25/2019 8:20 AM

85	More jobs, cheaper housing, more fun things to do, dispensaries, etc.	7/25/2019 3:48 AM
86	How about we try to deal with actual problems in 2019/2020...	7/24/2019 9:27 PM

93	more hi speed transportation to other locations without driving	7/24/2019 6:27 PM
94	I would like law enforcement to take the community more seriously. I often see, car racing on R-8 Avenue and 50th street east, and there is no sheriffs officer nearby to patrol. They ignore the community, and most of them when they get called, they arrive 60 minutes later, that is unacceptable. Their salaries come from the tax payers and they simply are the worst department I've ever come across county wide. Enough is enough. Hold the sheriffs department accountable, to top it off, 6-10 officers racial profile in our city. They are racist.	7/24/2019 6:05 PM
95	Stronger dining options (Benihana, Houston's, etc). More jobs. Safe community for families and children.	7/24/2019 5:13 PM

Biking, hiking and walking trails throughout the city Pavement sidewalks throughout city More security and safety throughout the city Beautifying Palmdale Downtown Palmdale area maybe on Palmdale Blvd Like the Blvd in Lancaster but better 😊😊 Traffic lights throughout the city especially where schools and parks are located. Lower speed limits.	7/24/2019 3:25 PM
104	I want it to be a nice community, without homelessness. I also don't think there should be low income families migrating here.	7/24/2019 2:49 PM
105	Aerospace thriving. And going back to a family friendly City. Less Sec.8 recipients.	7/24/2019 2:40 PM
106	A modern community that is progressive and diverse, a place where the affluent as well as the blue collar worker can access needed resources such as public transportation that runs often and more consistently and cultural events that appeal to more members of	7/24/2019 2:17 PM

109	Safe place to live for middle income families.	7/24/2019 1:30 PM
110	Clean up the area	7/24/2019 1:11 PM

111	Continue to try to lower the crime rate. Regardless of the crime reduction, people inside and outside of Palmdale still view many parts of it has crime ridden. My wife and I have been victims of non-violent crimes numerous times. We still need more entertainment option as the assertion by many "there's nothing to do in Palmdale" is still heard. More job opportunities and educational facilities locally will reduce the volume of traffic going down the hill.	7/24/2019 12:58 PM

122	More restaurants; Infrastructure (Freeway additions); Metro railway;more jobs.	7/24/2019 12:00 PM
123	That the city actually hired good urban planners. Yes, housing aside from single family homes is needed, but the approval of 308 apartment units right by the mall is ludicrous. There is one beautiful house that is less than 5 years old that was just built and another building that is less than a year old. So what is the city going to do to obtain these properties? All I see is a long legal battle. 6 more years and I am out of here.	7/21/2019 9:27 PM
124	A community that has grown by focusing focusing on the lives of the community members.	7/17/2019 9:34 PM
125	Not to have the east side be stigmatized but equal quality and access to fine dining (Denny's and Waffle Kitchen are not fine dining) and activities. Unified throughout the City - districting has made it difficult to unify with one voice.	7/16/2019 4:43 PM
126	Better Public schools. Educational opportunities for youth out of high schools. More community involvement and parent involvement in our local schools.	7/16/2019 4:11 PM

144	A safe, diverse community with pathways for pleasure and growth.	6/24/2019 12:32 PM
145	I want to see it be a town that isn't forced to commute to get to the well paying jobs. They need to be right here at home. Although there may be good paying jobs here, it's scarce. Too many people still have to commute in order to get a well paying job to support their families. It's great that more eateries, retail stores, or grocery stores are opening, but the majority of those are still minimum wage jobs. We need that & more. We need to bring these companies in, but without the burden of them being here put on the taxpayers. Defeats the purpose of them being able to eek out a true living wage.	6/24/2019 7:59 AM
146	Modern, safe, greener, accessible, sustainable.	6/23/2019 4:39 PM

155	"The new Santa Clarita" Seriously, the distance from LA is alright, the cost of living and traffic is why I live here. However the school districts, safety, and lack of recreation is why I'll probably be moving within 5 years.	6/16/2019 8:12 PM
156	Safe & Secure	6/16/2019 3:42 PM
157	Safe, Thriving and Healthy	6/15/2019 3:06 PM
158	Drop the phrase "A place to call home" - any place can desire to be that! It is an empty phrase. We want Palmdale/Antelope Valley in general to be KNOWN as a "DESIRABLE place to call home home".	6/15/2019 12:50 PM

174	Continued new housing development, Subsidies for renewable energy, and more creative water resourcing. Between the wind farms and solar farms, the Antelope Valley can quickly become the renewable energy capital of California. I would love to see more tax dollars going towards development and consumer rebates to implement new resources.	6/12/2019 11:07 AM
175	Less section 8...more working class	6/12/2019 11:04 AM
176	Clean	6/12/2019 11:01 AM
177	Keep Palmdale beautiful and safe by reducing section 8 housing and halfway homes . Continue the Summer concerts and city events.	6/12/2019 8:12 AM

183	Cleaner! Pick up the trash,furniture, mattresses, waste that people dump in the desert. Street sweep more often to clean up the litter on the streets. Provide more trash cans at store fronts and parks. Really crack down on illegal dumping. 191	Educated, informed, active (politically and physically). All there is to do is shop, we need more activities.	6/6/2019 3:07 AM
192	Nice, clean medical facilities. Clean city with no homeless allowed to wander around the city. Safety all around.	6/5/2019 7:51 PM
193	More like Valencia	6/5/2019 4:43 PM
194	#1 - SAFE - Palmdale has gone downhill with appearance and safety the past 20 years. Might as well live in L.A.	6/5/2019 4:11 PM
195	More areas that allow people to gather and more cultural activities for families and young people.	6/5/2019 9:39 AM
196	Eliminate homelessness	6/5/2019 6:16 AM
197	Stricter code enforcement on graffiti, prevent homeless gathering communities	6/4/2019 9:42 PM
198	I want to see Palmdale thrive and prosper in all areas of what a community should be while promoting diversity and inclusion.	6/4/2019 9:35 PM
199	Easier transportation options	6/4/2019 9:18 PM
200	Bounce back from the current state of chaos	6/4/2019 7:04 PM
201	Entertaining, convenient, beautiful, etc. Overall a great place to live. I hate how much people talk down on Palmdale. Palmdale has come so far and with little improvements could be even better. It's already not a bad area to live in.	6/4/2019 6:25 PM
202	beautiful scenery along roads and off ramps, upscale dining choices vs chain restaurants, upscale city center by the AV Mall, actually make use of the regional airport and green transportation.	6/4/2019 6:07 PM
203	Up to date, new age, musical, self sufficient , plants / food, gardens,family entertainment, waterfalls	6/4/2019 4:35 PM

212	Safe, pretty, good jobs	6/4/2019 2:44 AM
213	Improved local public airport in town without traffic congestion n clean living environment. Better phone n internet services on west side of town pls we pay more Tax too.	6/3/2019 11:26 PM
214	Palmdale: The safest city to Live and Grow!	6/3/2019 10:07 PM
215	-Safe -Organized -Clean -Awesome, upgraded parks with shade structures and splash pads -A cohesive design theme all around the city (same non-desert plants all around, pretty bus benches, similar and upgraded facade of shopping centers and businesses, creative street signs, etc.) -Non-Desert designs for houses and buildings... just because we live in an ugly desert doesn't mean we have to do bland, ugly desert-themed and colored buildings and plants.... desert plants (sagebrush, etc) look like ugly weeds everywhere. Look at Valencia and Santa Clarita... they have a similar climate/topography... but it doesn't look like an ugly desert town... they have well-designed streets with sidewalks lined with white fences... a variety of unique places to eat and shop... lots of parks and walking trails... it feels clean and modern there.	6/3/2019 8:57 PM
216	More outdoor facilities, homeless facilities, clean desert landscape, and a gathering place for events and farmers market like Lancaster blvd would be fantastic.	6/3/2019 7:37 PM
217	A Healthy Walkable Community	6/3/2019 6:39 PM
218	-Thriving/Healthy -A place where families flourish -The heart of aerospace & technology	6/3/2019 6:04 PM

219	University, Outdoor-Shopping Center, light passenger rail around the city	6/3/2019 4:35 PM
220	Come 2045 I would like to see more people who both live and work in Palmdale. I would also like to see more shelters and other resources to humanely deal with our unhoused population. I would also like to see more accountability with police who often profile individuals (such as myself) and pull us over and search our person and vehicles with flimsy excuses to mask their racial bias. I do not wish to see something like Lee D'Errico's "special police force" in our city. I would also like to see more options for higher education. In regards to the health of the community I believe we need more grocery stores and farmers markets that offer fresh healthy food at an affordable price, right in our neighborhoods and less liquor stores.	6/3/2019 3:13 PM
221	A desert. Not a sea of solar panels. Not a pavement jungle with hundreds of shops selling the same things.	6/3/2019 1:23 PM
222	Clean, Safe, Scenic, Inviting, Beautiful, Fun	6/3/2019 8:36 AM
223	Thriving and improving consistently	6/3/2019 5:28 AM
224	Better restaurants, more shops, more jobs, improve bus transit, and open airport to public.	6/3/2019 3:00 AM
225	More good paying jobs with benefits. Walking paths with bridges over streets. Safety. The city up hold their rules on the books. Example - people maintaining their property	6/2/2019 7:55 PM
226	Some areas are scary to be in and need to be cleaned up. Too much crime.	6/2/2019 7:02 PM
227	Safe and peaceful.	6/2/2019 2:36 PM
228	Not associated with the ghetto or a section 8 community.	6/2/2019 2:03 PM

233	Smoke shops and liquor stores closed. Homeowners held accountable for property conditions. Increased presence of security and security cameras.	6/2/2019 8:23 AM

238	Better public transportation system. More gardens and trees and more places for public gatherings.	6/1/2019 9:06 PM
239	A thriving ,trendy metropolis with jobs and a low crime rate. A place where young professionals would like to live	6/1/2019 7:38 PM
240	Thriving, vibrant community offering first class educational opportunities for all ages, high quality jobs and a wide variety of recreational venues	6/1/2019 7:01 PM
241	Family oriented, up to date, clean, GREEN, spacious parks with tables, barbques and sun protection, safe trails, sherrifs more efficient and FRIENDLY.	6/1/2019 6:31 PM
242	More oppportunity for community activities. Areas to walk and gather, night spots. Easy to commute to Valencia, airport or LA night spots—since we have few of our own.	6/1/2019 5:34 PM
243	More affordable housing, less homeless people, improved safety and response times, fewer gangs and drugs.	6/1/2019 4:17 PM
244	Clean, safe, prosperous and desirable place to live and work.	6/1/2019 3:44 PM
245	better roads, better landscaping	6/1/2019 2:55 PM
246	Clean, progressive, interactive	6/1/2019 2:30 PM
247	A community that is family oriented. Focus on bringing people together in positive ways.	6/1/2019 2:29 PM

248	culturally diverse, vibrant, growing!	6/1/2019 1:24 PM
249	A change for the future dreams of tomorrow.	6/1/2019 12:50 PM
250	Safe Low crime High income Professional	6/1/2019 12:49 PM
251	More like cities in Europe where it is set up with shops and restaurants and parks that include extensive areas of walkability... all in the same area. We probably need more apartments that are also set up with shops and restaurants very nearby that people can easily walk to. Just a better designed city.	6/1/2019 12:36 PM
252	Professional, safe, environmentally conscious	6/1/2019 11:48 AM
253	I would like to see less empty run down buildings and housing. We need to upgrade and or tear down some of these apartment complexes and houses. Not allow them to be run down and over loaded by RIF RAF. Be more vigilant about Section 8 RULES. Also we need more Sheriff on the roads and taking care of traffic,vehicle violations. We do not see enough Sheriff presence. We have a drug dealer down the street and they are getting away with everything and we have to live with it.	6/1/2019 11:21 AM
254	It would be nice to hear people outside of Palmdale speak of the community in terms other than the crime or homelessness rate. More job opportunities and greater community involvement (from a more diverse portion of the community, instead of the same small group of people who are involved in everything).	6/1/2019 11:13 AM
255	Beautiful	6/1/2019 10:50 AM
256	more educational and career opportunities for residents	6/1/2019 10:49 AM
257	Family oriented community with plenty of good jobs, schools and affordable housing for all.	6/1/2019 10:48 AM
258	Less home crimes perhaps safer walking/bike riding places on the west side like the paseos that Santa Clarita has.	6/1/2019 10:35 AM
259	I would like to see an inclusive community where not only the west side people get the perks. Jobs that pay a living wage to end or decrease communting and programs for all the kids and youth who are latch key kids in this valley due to lack of jobs. Kids are rasing them selfs and this is a problem. Have programs for community beautification involvement. We are the Village.	6/1/2019 10:23 AM
260	Metropolitan hub without the drive!	6/1/2019 9:27 AM
261	Like to see the Rancho Vista area become more like Irvine in the OC.	6/1/2019 9:22 AM
262	Small town feel. Growing too much at present. Prefer "old school"	6/1/2019 9:18 AM
263	Less homeless & Sec 8 residents, less LOW INCOME HOUSING	6/1/2019 9:03 AM
264	Safe	6/1/2019 8:54 AM
265	I think there is too much draw to the AV for low income and it has brought a drastic decline in quality of living and increase in crime and traffic congestion. I think that should be considered for the safety of the residents. Long time residents are selling their homes and leaving due to these issues, not lack of walking paths or open spaces.	6/1/2019 8:42 AM
266	Safe, inclusive, diverse, educated	6/1/2019 8:41 AM
267	Comfortable, peaceful, a place for families.	6/1/2019 8:15 AM
268	Because we are a commuter town, perhaps faster city transit.. city bus directly to mall, or directly to 47th street etc.. more upscale apartment housing,	6/1/2019 8:08 AM
269	Safe. Family friendly. United. Enhanced public education with visual and performing arts Pre-K - high school taught by fully credentialed educators. Performance arts education which includes a chorus strand from elementary to high school. Band and orchestra do not fully represent music education. Students grow and benefit from chorus, general music appreciation classes, piano, even when not enrolled in performing arts academy.	6/1/2019 7:37 AM
270	Cleaned up	6/1/2019 7:31 AM
271	Cultured, educated population. Safe neighborhoods.	6/1/2019 7:27 AM
272	More geared toward becoming a city where young people will have opportunities for careers. Would like it to be more of a walking/bicycle friendly place.	6/1/2019 7:23 AM
273	aerospace jobs houses safe	6/1/2019 7:13 AM

274	A family community. A place to SAFELY raise and educate children. NOT high rise apartment buildings with streets full of parked cars.	6/1/2019 6:58 AM
275	Accessible. With a better way to get to the Valley.	6/1/2019 6:40 AM
276	Safe, job growth, with diverse activities	6/1/2019 5:44 AM
277	Convenient, affordable, safe	6/1/2019 5:35 AM
278	Better living, transformed city	6/1/2019 1:08 AM
279	Less crime!	6/1/2019 12:59 AM
280	Enriched with a healthy diverse culture of people that love their community.	5/31/2019 10:49 PM
281	I probably won't still be alive but I hope the police, fire, sanitation and water districts are still operational.	5/31/2019 10:31 PM
282	Built up with an eye toward sophistication.	5/31/2019 10:12 PM
283	Palmdale, my family, my home, a way of life.	5/31/2019 9:49 PM
284	low crime	5/31/2019 9:47 PM
285	It needs to be cleaned up. I have never seen so much illegal dumping in any other city	5/31/2019 9:44 PM
286	Beautiful Enriched Growth	5/31/2019 9:14 PM
287	Affordable house prices, great public transportation via train to Los Angeles (proper), great community like parks and recreational classes, great schools, good jobs, convenient shopping, little traffic.	5/31/2019 9:14 PM
288	More medical, better shopping, more restaurants, entertainment	5/31/2019 8:55 PM
289	More west side business development, car washes, restaurants, upscale housing developments, better roads	5/31/2019 8:39 PM
290	Organized, cleaned lots and more housing that's affordable. Community programs	5/31/2019 8:24 PM
291	Committed to renewable energy; carefully planned neighborhoods within walking distance of grocery stores.	5/31/2019 8:08 PM
292	Palmdale needs to address homelessness and it is a dumping ground for big trash, beds, couches, tires in the fields and washes! My biggest complaint, dumping! 2045 Palmdale is a beautiful prosperous community of diversity, art and jobs with a variety of services for the needy.	5/31/2019 8:02 PM
293	Clean up the town; get rid of empty buildings.	5/31/2019 7:53 PM
294	Less crime And build homeless shelters so that they are not camping out in the fields	5/31/2019 7:47 PM
295	More police visibility on the West side. Housing area geared towards executive, higher earning professional families. Reduction of homeless and low income housing. The city needs to start catering to executives and professional people who are coming in to work at aerospace and other large businesses if you want to attract larger and better business in the area. Homeless, illegal, criminals and their families need to be discouraged to live or participate in this valley. Stop letting Los Angeles dump their unwanted here which they will be doing more of as the city gets ready for the Olympics and elections come up.	5/31/2019 7:19 PM
296	Get rid of some of the trashed buildings on Sierra Hwy and some on Palmdale Blvd near the library	5/31/2019 6:47 PM
297	Safe, clean, accessible to airports	5/31/2019 6:31 PM
298	Environmentally friendly, progressive community	5/31/2019 6:25 PM
299	More growth and shops on the East side of Palmdale.	5/31/2019 6:20 PM
300	NA	5/31/2019 5:50 PM
301	I am hoping to leave CA in three years due to all the free stuff it hands out to all the lazy & able. Be a part to not allow that to continue.	5/31/2019 5:41 PM
302	Vibrant	5/31/2019 5:35 PM

303	I want to see more businesses open on the Eastside of Palmdale. With the previous Mayor we had several buildings go up but no business opening up. We have several buildings that are empty and we need to fill them up to bring the economy up. I would like to see more running paths, have a growing running community and it would be great see paseos like in Santa Clarita.	5/31/2019 5:34 PM
304	Safer, more jobs , more things to do entertainment place.to.eat and shop . And.more.community events	5/31/2019 5:24 PM
305	Safe and beautiful	5/31/2019 5:21 PM
306	Safer, more entertainment options, more job opportunities. I hate that I have to commute over an hour for work.	5/31/2019 5:16 PM
307	I want quality of life issues strongly enforced! Stop pandering to the minority and protect the majority. Code enforcement needs to stronger.	5/31/2019 5:02 PM
308	More variety of industry (careers) - besides the usual medical, aerospace & education. More aesthetically pleasing areas to walk around & gather that are designed to BLOCK wind. More activities, classes, etc for ADULTS - seems like a lot of activities center around kids & families. More art, dance, cooking, type classes but for adults only. Kaleidoscope is awesome idea & should expand & develop. Movie series at Palmdale Playhouse very fun - do my themed series for adults - like Clint Eastwood, Alfred Hitchcock, 80s comedies, etc - great thing 2 do when is 100 degrees out in the summertime.	5/31/2019 4:58 PM
309	Less Ghetto, less drugs( or being known as 'meth haven'.... more culture and activities for ALL ages.	5/31/2019 4:57 PM
310	Safe and clean	5/31/2019 4:53 PM
311	Growth is fine, as long as there is enough WATER available to serve the growing community.	5/31/2019 4:53 PM
312	Growing responsibly, natural resource conscious, education strong, medically supported	5/31/2019 4:50 PM
313	By 2045 our homeless population will be out of control, our crime rate will be worse than most neighborhoods in los angeles. The city can build new stores and create more job opportunities, however we have the highest section 8 rate in all of LA county which brings more crime to our valley. In 2045 I see Antelope valley just as another ghetto that I don't want my kids to grow up in.	5/31/2019 4:50 PM
314	Safe community	5/31/2019 4:49 PM
315	I can't imagine what life will be like on the planet by then.	5/31/2019 4:43 PM
316	More help and regulations on the homeless population. Less low income crime.	5/31/2019 4:43 PM
317	More bike trails to ride thru town similar to Santa Clarita, less low income housing more owner occupied less renting, increase size of the Quinones Park,	5/31/2019 4:42 PM
318	Diversity, entertainment (kids, teenagers, adults), accessible recreational parks, restaurants	5/31/2019 4:30 PM
319	More unified with less riff raff going from down the hill.	5/31/2019 4:27 PM
320	safe, affordable, convenient, enjoyable	5/31/2019 4:19 PM
321	Alive, with many job opportunities, plenty of walking, hiking and cycling trails, with many educational opportunities especially in higher learning, minimal crime, better hospitals and health centers, and enhanced transportation options to the rest of the region.	5/31/2019 4:08 PM
322	More activities for the youth programs , more parks and recs and definitely more law enforcement.	5/31/2019 4:03 PM
323	A homogenous blend of different cultures that respect each other. More high schools and community college options. Zero tolerance for racism.	5/31/2019 4:01 PM
324	diversity with expanding job opportunities for better paying jobs to reduce the number of residents who commute to afford a decent lifestyle.	5/31/2019 4:00 PM
325	Safety, clean, variety of jobs, good roads	5/31/2019 3:56 PM
326	More shopping areas on the eastside and more sidewalks. Beautification of old Palmdale and beautiful biking and walking east side areas	5/31/2019 3:56 PM
327	a gateway to desert adventures and mountain excursions; Home of outdoor life; a city reaching heights; where the great blue sky meets the high desert winds; adventure and sky; The outdoors for all folks	5/31/2019 3:55 PM
328	I would like to see home business licenses like they have in Lancaster and Los Angeles County	5/31/2019 3:54 PM

329	Still a rural vibe, keep density low. NOT LOS ANGELES!	5/31/2019 3:53 PM
330	Safe, upscale place to dine and shop	5/31/2019 3:50 PM
331	Connected through technology, A sustainably developed city system, diverse and safe communities.	5/31/2019 3:50 PM
332	Art and cultural experiences, affordable housing, environmentally engaging	5/31/2019 3:48 PM
333	I would like to see a separate and distinct city than Lancaster. Palmdale was very citizen friendly. Let's keep it that way.	5/31/2019 3:45 PM
334	Would like to see less homeless and their trash. Would like for Palmdale NOT to be a sanctuary city. Eliminate Section 8. Keep child molesters and ex cons out of the area	5/31/2019 3:43 PM
335	A city that you feel you don't have to leave to be entertained or to enjoy activities	5/31/2019 3:34 PM
336	Safe, thriving family community with events and activities for all ages. Featuring local musicians and artists and attracting outside talent.	5/31/2019 3:34 PM
337	More activities for all ages	5/31/2019 3:32 PM
338	safer/calmer	5/31/2019 3:29 PM
339	Bring in more dining such as Cheesecake Factory, Fridays, Or Wood Ranch. Build our community with much need jobs within the County of Los Angeles.	5/31/2019 3:29 PM
340	More beautiful places to walk and ride bikes. We already have lots of cultural things. Let's hide the dump with air freshening trees.	5/31/2019 3:29 PM
341	Family oriented community with easy access to youth programs	5/31/2019 3:28 PM
342	Place people can feel proud and safe to leave with good jobs and sense of community.	5/31/2019 3:27 PM
343	Equal development of the city center and eastside, to match the development that is taking place on the westside.	5/31/2019 3:23 PM
344	I probably not be living by then, but I hope this City gets a Makeover and cleaned up! Palmdale is in desperate need of an uplift and somewhere , to enjoy evenings and cultural activities for adults and Seniors. We need more Cultural and Art activities! The Mayor of Palmdale, in my opinion, has done nothing to improve our City! It's time to clean our City and bring up our reputation! I hope that the new Mayor takes pride and wants to turn our City into a beautiful and inviting City!	5/31/2019 3:23 PM
345	Less corruption	5/31/2019 3:21 PM
346	I would like to see more jobs and another community college and much more police patrolling residential communities.	5/31/2019 3:17 PM
347	inclusive affordable	5/31/2019 3:15 PM
348	Palmdale is so large millage wise that it has burrows much like LA and other big cities. Because of this there needs to be appropriate services in each part of Palmdale, from shopping to medical offices, parks and churches or other religious institutions.	5/31/2019 3:09 PM
349	I hope to one day see a Palmdale that has a more of a community feeling. Palmdale needs a core. It needs to have more community events / entertainments. More of a mom and pop shop feel. Small town vibes, rather than big chain stores. The city feels like its a bunch of pieces scattered rather than whole.	5/31/2019 1:27 PM
350	I would like the future of Palmdale to remain a clean, safe, quiet city that is free from overpopulation and congestion of street traffic.	5/31/2019 10:58 AM
351	More affordable housing	5/30/2019 12:23 PM
352	Affordable cost of living, self sufficient for shopping and restaurants. More professional jobs available like IT jobs. Relatively less traffic and enough parking available.	5/30/2019 11:01 AM
353	SAFER.	5/30/2019 9:41 AM
354	More mixed use (housing & work) infill. Stop allowing building developments out in the middle of nowhere. Work on widening roads with bottlenecks instead of waiting decades for a developer to do it.	5/30/2019 6:59 AM
355	More United and not have a west verses east situation. Each area needs businesses	5/30/2019 6:55 AM

356	well lit & walkable	5/30/2019 6:52 AM
357	The place to live work and raise a family.	5/30/2019 6:50 AM
358	More jobs a freeway that cuts across from the 14 freeway going to the 15 freeway without having to take the 138 to the 15 freeway and Casinos which would bring in lots of jobs not to mention more money for Palmdale I see Hotels being built all over here but why there's nothing here There's no amusement parks and we definitely have more than enough space lots of empty lots where we could have so much more here . Restaurant's things you can do with your family not to mention lowering the speed limit on the streets and more bus services	5/30/2019 6:42 AM
359	Just like our old Rose Parade theme, "A Place To Call Home".	5/29/2019 10:43 PM
360	I would like to see a better educated community. When people grow, they see themselves under a different light and their relationship with the environment improves.	5/29/2019 8:19 PM
361	Educated, high paying jobs, entertainment	5/29/2019 7:11 PM
362	Diverse, vibrant and compact	5/29/2019 7:04 PM
363	Connected to LA and Las Vegas	5/29/2019 4:52 PM
364	connected, multimodal, vibrant	5/29/2019 12:26 PM
365	Culturally inclusive, low in crime, high scale businesses.	5/29/2019 12:21 PM
366	Fun, clean, productive. I'd like to see people spend money here and not have to go to LA	5/29/2019 10:03 AM
367	Opportunity, accessibility, safety, and entertainment. More live music	5/29/2019 9:09 AM
368	Higher home prices, no gangs, law abiding city	5/29/2019 8:57 AM
369	More jobs ,train that can take you to different cities, our own airport and a cleaned city.	5/28/2019 9:19 PM
370	Developed with more quality shops and housing. Build for a higher socio economic community.	5/28/2019 8:18 PM
371	Continue to build strong community, there are more jobs to where the community no longer had to commute. This will also keep more money locally for restaurants etc.	5/28/2019 7:23 PM
372	Improving lifestyles.	5/28/2019 6:39 PM
373	Green and innovative	5/28/2019 6:03 PM
374	We need to stop building house and alliw people to move further north as their finances allow. I do not want to have affordable housing. Ca is quickly becoming over populated and we need to allow people to leave ca if they cant afford it. We own very desirable locations.	5/28/2019 5:40 PM

378	Corruption successfully repelled.	5/28/2019 4:34 PM
379	Community events involving the whole palmdale community (although I know that is attempted currently, as well); however, I believe events such as Farmers market (as held in Lancaster) is a great example of something that would bring our city, as a whole, together. We do have unique challenges, such as the vast amount of area included within our city's boundaries, making the "hometown feeling" a bit of a challenge, and applaud your efforts to address this issue, as well as many others. A challenging job, no doubt, and again, I applaud your efforts to keep our city strong and successful for all it's residence. Thank you!	5/25/2019 1:01 AM
380	Look more like Valencia in regards to shopping, restaurants, recreation, bike paths, parks that take advantage of the beautiful scenery and open spaces, beautification of the city streets, etc Lancaster is doing a lot in this area and hope Palmdale will do the same. More access to fresh fruits/vegetables like a Farmers Market in Pontilan Square (with really great vendors with more fresh produce and less pre-cooked food like The Blvd...i'm talking "a real" Farmers Market. Need More cafes/shops, healthier options, like vegetation/vegan restaurants and cafes and walkability, like The Blvd and more for young people/teens to do to keep out of trouble, like a skating rink or clubhouse with workshops for things they like, for example 'how to code video games', 'how to create a comic book', 'skateboarding 101', etc., where they can take some ownership by allowing their input for what their needs are and how it might run.	5/24/2019 3:01 PM

381	I want our friends and family to have a reason to come out here other than to see us. Our friends pretty much stay in LA and rarely venture out here.	5/24/2019 11:31 AM

396	I see desert communities in the US embracing their environment and highlighting its beauty. I'd love to see more conservation of our Joshua trees. I'd also love to see more desert landscapes. Think Tucson....Scottsdale....Phoenix....Palm Springs. They've all embraced their unique desert environment and they are beautiful places to visit and explore.	5/17/2019 5:59 AM

429	right now palmdale is great but i feel it could be better. i say that the young population such as people in 17-27 want fun and theres not many things to do and investing on the AV mall and remodeling it and making in to a two level and adding more store and take away thoes furnetur stores that really nobody gose too and adding more popular resturants and making t more modern more people will be actacted to it even adults like people in 30 and rider would llike ot they will have a place to meet up at	5/6/2019 2:32 PM
430	I would like to see Palmdale upgrade the parks and look of this town. I would like to see Palmdale care about bringing wealth here with the vision of how much wealth is here with the mountains, the healthcare, the outdoor festivals, clean up the streets near the new developments and get the slumlords to update their facilities and help us all make a nice place for us all to live. Stop making everything affordable and concentrate on producing a place that wealth wants to live and work.	5/5/2019 5:02 PM
431	Safe. Entertaining. Healthy.	5/5/2019 11:01 AM

439	Aerospace/STEM-focused in education, industry, and culture	5/3/2019 12:35 PM
440	Keep the same motto "A place to call home"	5/3/2019 12:33 PM

443	Inclusive and vibrant	5/2/2019 1:29 PM
444	Clean, less crime, family	5/2/2019 12:11 PM
445	Essentially apartments and low income housing to reduce the fundesired fow from LA	5/2/2019 9:42 AM
446	Clean, and safe like now	5/1/2019 8:51 PM
447	I want to see a city that feels safe. That's clean and attracts good working families.	5/1/2019 8:45 PM
448	we need more options for seniors. Housing, transportation, senior center on West side.	5/1/2019 5:42 PM
449	More focus on the neglected Eastside. The City Council seems obsessed with focusing new retail and chain restaurants near the mall. It's already congested there. It's only convenient for people who live on the Westside. Living out near 55th east it takes a good 20-25 minutes to get to the mall.	5/1/2019 2:10 PM
450	Upscale, classy. NOT low income trashy	5/1/2019 12:10 PM
451	Traffic safety (separated bike lanes because people around here drive like crap) Improve/maintain public fields and parks	5/1/2019 11:57 AM

455	vibrant, diverse and accessible	4/30/2019 4:07 PM
456	Vivid, colorful, lively, thriving, beautiful	4/30/2019 12:44 PM
457	A diverse community where people of different ages, backgrounds, and walks of life can live safely and purposefully. The community will maintain its natural rural resources as well as plan for incoming residents. Palmdale will provide community resources which affect long term community health like educational opportunities, physical and mental health resources, safe public spaces and programs, and jobs that provide quality of living.	4/30/2019 11:29 AM
458	safe well planned independant	4/30/2019 9:23 AM
459	neighborly; friendly; involved; community oriented; diversity friendly and accepting; more conscientious of those with long commutes when scheduling city events	4/30/2019 8:20 AM
460	I would like to see more community events so that the residence can join together.	4/30/2019 4:16 AM
461	Safe and walkability to shops, restaurants, etc.	4/29/2019 8:11 PM
462	I hope to see safe communities with more opportunities for families and more jobs to keep residents close to home with big factories jobs and less discrimination among ppl that live in same cities together	4/29/2019 5:10 PM
463	Clean, friendly, and safe.	4/29/2019 3:53 PM
464	Transportation, commerce, culture.	4/29/2019 1:25 PM
465	Safe, social, job security, family friendly	4/29/2019 10:08 AM
466	An attractive community with shops, restaurants, entertainment, culture, and professional opportunities that draws people to the area (where people also feel safe).	4/29/2019 9:41 AM
467	More "country living" opportunities and less cookie cutter housing tracks. Innovative design that utilize wind and solar power without being an eyesore. Multi-generational housing options. Cutting edge industry jobs	4/29/2019 9:25 AM
468	SAFER PLACE TO LIVE	4/28/2019 9:58 PM
469	I would like to see more offices and professional employment so people don't have to travel out of Palmdale everyday. Reducing traffic on the 14 freeway.	4/28/2019 9:26 PM

470	Clean energy, green spaces and walking distance shopping	4/28/2019 9:04 PM
471	I'd like to see things happen that beautify the city. Santa Clarita is always favored over here and it seems it is solely due to aesthetics. So let's change that.	4/28/2019 4:49 PM
472	Palmdale, see what you've been missing	4/28/2019 4:30 PM
473	Safe family diversity, with both physical health and spiritual health opportunities being provided at the highest of level any community in the US provides.	4/28/2019 10:54 AM
474	Hopefully more indoor activities for example a rock climbing gym	4/28/2019 9:39 AM
475	Cleaner and safe overall	4/28/2019 12:32 AM
476	Safety	4/27/2019 4:10 PM
477	Plenty of good paying jobs	4/27/2019 1:46 PM
478	safe,family oriented, desert city - not completely urban like LA. preserve desert fields and open areas around new construction/growth	4/27/2019 9:48 AM
479	We are a melting pot community that work together for all that live here.	4/27/2019 7:35 AM
480	WE EMBRACE BENEFITTING CHILDREN IN OUR SCHOOLS! You CAN live AND work in Palmdale! TEENAGERS can graduate from a 4 year and return to Palmdale for a decent living! Homeless Resources are no longer stolen from our city's homelessness because technology options (like solar cooling, underground dwelling tiny homes, etc.) are being used and we, Palmdalians, are the INTERNATIONAL model for humane and efficient reduction of homelessness. Parents are supported by the City of Palmdale, even after your child grows past (0-5 years) or (12 years); because we love teenagers☺	4/27/2019 6:45 AM
481	International airport	4/26/2019 11:06 PM
482	Planned communities, more shopping, food options/restaurants a planned area for entertainment/ arts & festivals and more recreational spaces for all ages	4/26/2019 9:48 PM
483	Walkable. Great downtown. Modern. Safe. Pet-friendly.	4/26/2019 6:18 PM
484	Both sides of Palmdale specifically the East side should be maintained the same as West side. Public places sidewalks should not have weeds that are four feet tall in the housing communities. Words to describe future Palmdale is "I live in Palmdale", there should be no, oh, what side response. There is One Mayor over the city there should be no division of how certain parts are maintained based on a freeway overpass.	4/26/2019 5:56 PM
485	Diverse, safe, innovative, leader, industry, growth	4/26/2019 5:51 PM
486		4/26/2019 5:09 PM
487	An community that values education and respects each other. Community that has pride in the area. Less of attracting low-income and walmarts!!!!	4/26/2019 3:55 PM
488	1. More development (and/or re-development) always means more traffic. I think the streets, streetlights, and infrastructure that deals with traffic, parking, etc. all need to be addressed. The traffic in Palmdale is increasing. Avenue S (thank you, it's beautiful! Love the bike/walking path!!) has a lot of traffic between 5 PM and 8 PM as it is right now. Traffic, traffic patterns, parking and public safety as it pertains to automobile accidents, etc., are all concerns I have that I hope will be addressed in the general plan. After all, Palmdale is still primarily a bedroom community. 2. Solar! It's the future. I think anything we can do to improve/mitigate our carbon footprint is good. Like many home owners, we have added solar panels to our roof. Like the governor of CA, maybe the City should consider requiring solar panels on new construction, and look at investing in solar power for City facilities, etc.	4/26/2019 8:48 AM
489	I would love to see more bike paths put in and farmers markets available. I would love to see us move towards more environmental positive impacts- improved water efficiency and recharging of ground water, gray water uses, walkability, rooftop solar (not the solar farms), electric vehicles and charging stations, gardening classes, community gardens that are easily accessible and could supplement food for our needy families, increased composting and recycling efforts, increased wildlife preservation areas, bans on pesticides in our community, zero waste markets...	4/26/2019 5:21 AM
490	Master Planned city of Antelope Valley divorced from city of Los Angeles	4/26/2019 3:34 AM

491	Pride Community Engagement Forward Moving	4/25/2019 11:48 PM
492	More jobs available.	4/25/2019 11:09 PM
493	Focus on the communities rather than commercial development. Focus on attracting large employers rather than small scale commercial development.	4/25/2019 8:34 PM
494	More high paying jobs which will allow residents to live and work up here instead of commuting 4 hours a day.	4/25/2019 8:21 PM
495	I would like to see the way Palmdale use to be...we all felt safe and knew each other.	4/25/2019 7:55 PM
496	Palm Springs North (Spa/Resorts for Summer). Unify with Lancaster to increase our impact with airport, funding, etc.	4/25/2019 7:14 PM
497	Safe	4/25/2019 6:05 PM
498	Different than any other city in California because Palmdale chooses to be. "Unique"	4/25/2019 6:01 PM
499	Large employers MUST be brought in. With some large employers leaving in the last 5 years, there are limited opportunities for career focused employment. That, coupled with rising housing costs, is crippling the middle and low income classes.	4/25/2019 5:45 PM
500	I would like to see a section of Palmdale set aside for the teaching of preservation to our young People and the saving of our will life	4/25/2019 5:42 PM
501	More employment opportunities not just more restaurant and retail jobs.	4/25/2019 5:24 PM
502	A home to the arts and community that is culturally diverse.	4/25/2019 4:25 PM
503	Up and coming safe place to live and raise your children.	4/25/2019 4:22 PM
504	More local jobs to alleviate rush hour commuter bottleneck. More services for at-risk youth. Expand airport for more commercial flights as alternative to LAX/Burbank. Completion of high-speed rail to alleviate commuter stress and create more jobs.	4/25/2019 3:57 PM
505	No section 8 housing!	4/25/2019 3:54 PM
506	More of a place for opportunity. Less Walmarts! And could we get rid of the red arrows at every intersection? Waiting a whole cycle repeatedly is frustrating	4/25/2019 2:50 PM
507	safe place for my family	4/25/2019 2:02 PM
508	I hope to see Palmdale grow to be sustainable/prepared for how climate change will impact life in the high desert. I hope for more jobs, and faster public transit options to reach Los Angeles.	4/25/2019 1:38 PM
509	Innovative and friendly	4/25/2019 12:25 PM
510	I think Palmdale is evolving very good & prosperous something that Lancaster is lacking which is very or to close by.	4/25/2019 11:38 AM
511	Safe. Healthy.	4/25/2019 11:29 AM
512	A safer, cleaner community.	4/25/2019 11:06 AM
513	I would like to see a faster route connecting the far east side (47th E) to the westside. It currently takes me about 20-25 minutes to get to 30st. W. as well as adding time to my commute to work. This makes it an inconvenience and it has dissuaded us from spending money on the west side. It feels like another city.	4/25/2019 10:08 AM
514	Peaceful, safe, clean, not congested/over populated, no street vending, small, single family home ownership	4/25/2019 9:12 AM
515	Fair Diversity	4/25/2019 8:49 AM
516	I would like to see a system of interconnected Class 1 Bike lanes, comparable to what we see in Santa Clarita. We can incorporate the existing Sierra Hwy and Ave S bike lanes along with the proposed bike lane that would run parallel to the High Desert Corridor. The aforementioned bike lanes could be used as the backbone, and we can extend outward from there. It would also be a good idea to work with the state to formally legalize what is already occurring, which is that many cyclists are cycling along the California Aqueduct. It would also be great to see more parks, and in particular, natural reserves comparable to the Prime Woodland park in Lancaster. There are nice groves of Joshua Trees and Juniper Trees within the City of Palmdale, and it would be nice to have one large reserve park with trails.	4/25/2019 8:27 AM

517	Safe city with booming employment, variety of educational institutions and affordable housing	4/25/2019 8:22 AM
518	See more industry based less on government contracts that are subject to budget cuts.	4/25/2019 8:17 AM
519	I won't live that long.	4/25/2019 8:05 AM
520	I would prefer a safer place for my children.	4/25/2019 7:53 AM
521	Safe, family oriented, law abiding residents who can enjoy events through out the year.	4/25/2019 7:29 AM
522	Redesigned city center like Lancaster, but better with it being developed in the nicer part of town such as Rancho Vista and 25th West near the park, or in Quartz Hill along 50th. Dining option with outdoor food courts and art exhibitions, next to the shows in the park would draw people over for more then just the evening event. Work with the local churches so that they get their constituents involved.	4/25/2019 6:28 AM
523	Stop bringing criminals up here to live. Fix all streets, add sidewalks. More security, faster police response. Use empty buildings before building new ones.	4/25/2019 6:01 AM
524	Clean up the crime and bring more jobs to town so people don't have to commute into LA.	4/25/2019 5:57 AM
525	Be able to safely take a walk around your neighborhood	4/25/2019 5:19 AM
526	A place to call home for working families that care about their home/schools and communities.	4/25/2019 4:14 AM
527	It is a cultural and educational desert that needs to be brought into the 21st century.	4/25/2019 3:00 AM
528	Family friendly thriving community.	4/24/2019 10:26 PM
529	I want the old school small town feeling back. I want to not be scared to be out of my house. I want to not see trash everywhere and homeless encampments on every acre of our beautiful desert. I wouldn't mind new restaurants but not with new construction. Utilize the empty existing spaces before destroying more of our desert. I grew up in the AV and want to be proud of it again.	4/24/2019 9:54 PM
530	More jobs so people don't have to commute to LA. Stop LA from shipping their homeless to Palmdale to deal with. More things for kids to do during non-school time. Why not build a rec center with a wave pool that is open just for kids to have fun? The pools we have now that are affordable are closed to open swim 90%of the time which I don't understand! Maybe if we had more things like tbis that THEY COULD AFFORD, they would use and stop staring at the phone	4/24/2019 9:54 PM
531	United Community. Open fields of wild flowers. Job opportunity	4/24/2019 9:41 PM
532	self sustaining community, eliminating the need to commute for higher paying jobs, safe communities, well maintained roads/streets, family friendly city with outdoor shopping centers and entertainment, clean!	4/24/2019 9:09 PM
533	Safe and clean place to live	4/24/2019 9:05 PM
534	Safer. Less traffic. Less ghetto areas.	4/24/2019 9:01 PM
535	More diversity, more ranch homes. East and West freeway	4/24/2019 8:53 PM
536	Residents have options and access to local entertainment.	4/24/2019 8:51 PM

## Q10 What are other important priorities, issues or improvements that the General Plan could address over its 20-year timeframe?

Answered: 577 Skipped: 187

#	RESPONSES	DATE
1	Make the county sections city of Palmdale for maintenance and road continuity or develop a better relationship with the county to get road work done more quickly. You have small business owners that have too much red tape to deal with the city. Partner with auction Ave T location to upgrade	8/30/2019 12:35 PM
2	Off ramp on Ave O. More attention to keeping Palmdale clean and well landscaped. More public transportation. Attracting more high paying jobs. Work on eliminating traffic problems in specific areas: eg off ramp on Rancho Vista from 14 south. Faster implémentation of projects example: Work on 14 fwy S at Palmdale BI is taking too long.	8/29/2019 9:40 PM
3	Build more shopping districts. Create better job opportunities. Make more modern outdoor walking paths. Make this City great.	8/28/2019 10:57 PM
4	Airport with connects to another major hub city.	8/28/2019 7:16 PM
5	To complete the Joe Davies Heritage Airpark with Aircraft and a Museum. We should strive to be better than Edwards Flight Museum. It's our legacy.	8/28/2019 3:14 PM
6	Faster train to connect to other major cities for commuters, or Better public transit in general. City beautification with safe walk and bike trails available throughout the city.	8/28/2019 8:04 AM

7	<p>The most important aspect of city planning is zoning and development. This dictates the quality of life for residents in all regards. Palmdale needs smart development that allows the "good" areas to stay good, and the "bad" areas to improve. Palmdale, in general, is very well planned, relative to Lancaster. Lancaster is a mess of spot zoning, abandoned development, crime, and low income apartments. Take, for instance, the 200 unit low income housing development they built on 30th and I, down the street from upper middle class neighborhoods. Or the adjacent "kensington" boondoggle they built next door. Palmdale needs smart planning, and I trust Steve to deliver on this. Any development west of the 14 should be market rate, high end development. Like the sprouts development, I like that one. The city ought to embrace the area around the AV mall as Palmdale's downtown, furthering high end retail development there. I'd love to see more restaurants, like PF Changs. Palmdale does not need to re-develop Palmdale Blvd like Lancaster did. That area serves a specific purpose as a hub of services for low income residents, as well as hub of low income housing. These aspects of the community are important and should not be gentrified away. What should gentrify is the westside, and I have already seen improvements in my area (Rancho Vista) as more high end cars are driving around and the lawns are looking better. We can continue to improve Rancho Vista with new retail and housing developments that bring quality residents to the area. The lot at O8 and Rancho Vista would be a great place for luxury garden apartments, and the Walmart center is crying to be finished with more restaurants and the like. I'm good with the plan to build senior center on the westside of RV, as well. There are nice plots of land on the westside to build high end detached homes, and Palmdale needs more of these. New gated communities with nice quality homes. Joshua ranch would be cool to have built out, as a high end gated community in the hills would be a great thing for palmdale. I DO NOT, however, like Anaverde and Ritter Ranch. Palmdale is already so sprawled out and we do not need more of it. And their new plan to bring apartments to the area would be a mess. I'm ok with the Anaverde community being built out on the existing land. Ritter Ranch, however, should not occur as it would lower land values for Rancho Vista, as it would compete with RV for buyers. It would also ruin the natural beauty of the area. Ritter Ranch should stay undeveloped. I'm also ok with apartments being built on the vacant land along Rancho Vista, as long as they are market rate and lower density. Just nice 2 story buildings lining the street, that's ok. Let me say again though, Ritter Ranch should not be built. It would ruin west palmdale and cause an oversupply of housing, leading to lower values for the older homes. Palmdale should embrace the Rancho Vista/Quartz Hill area and help developers build new mansions in these areas. In short, Palmdale needs to embrace zoning principles that maintain and improve quality of life for the residents. Palmdale should build out the AV mall area, build out Rancho Vista with high end housing, and maintain the eastside as a safe, affordable area for those seeking a reprieve from the high housing costs of Los Angeles. I believe Steve knows these goals already, and I hope that he embraces them, allowing (West) Palmdale to serve as a cheaper version of Santa Clarita, as opposed to a cheaper version of Sylmar.</p>	8/27/2019 10:51 PM
8	Better jobs, a more variety of houses, quality apartments that are affordable, an upgrade to our Mall it should be a two story building with better shops and food vendors, museums, the state of the arts parks, for the children and a zoo	8/27/2019 7:07 PM
9	Transportation options, small business programs	8/27/2019 6:44 PM
10	Ice hockey	8/27/2019 3:32 PM
11	The need for a downtown area is ginormous... Similar to Lancaster's downtown with community owned and operated restaurants and shops. And place to park and walk around...not drive that can be used for city events, parades, farmers markets...	8/27/2019 3:22 PM
12	Gain some corporate businesses/employers, manufacturing jobs with training programs that build a lifetime of education not just part time seasonal like specialty work like in the aircraft industry.	8/27/2019 2:07 PM
13	Higher investment in youth programs, education and job opportunities is a proven way to decrease crime. I also want to see more investment in solar projects that utilize roofs and covered parking so as to not develop natural land unnecessarily.	8/27/2019 2:05 PM
14	Tie in the Acton eminent domain over the underdeveloped land adjacent to the 900 acre Palmdale Annexation.	8/27/2019 11:22 AM
15	the drought	8/26/2019 7:08 PM
16	Bikeable, redo Marie Kerr Skate Park, Shade in parks, downtown public space	8/26/2019 4:24 PM

17	Thought needs to be put into restructuring, beautifying and balancing the whole city, in business/jobs, housing, parks, natural habitat areas, shopping, entertainment, etc. Pay attention to the need of adequate parking, especially for city events. Don't decrease available parking at apts just because other cities are getting away with it. More healthy places to eat. Build a Library that fits the size and needs of the community. Know the difference between "high traffic" and "grid lock". Build affordable housing/apts for low-middle & middle income, stop catering to vets and artists. Minimal, quality public art/sculpture. Accountability with the School Districts. "Things to do & Places to see"/Visitors guide for visitors to the Antelope Valley, with advertising for local shops, restaurants & hotels. Very careful thought in planning all upcoming areas involving the transportation improvements, to insure the protection and aesthetics of the community. Don't just focus on the monetary benefits for the city. If everything is done well and planned well, that should take care of itself. Be leaders, be trend setters and work on building partnerships with our neighboring cities to build one incredibly awesome community! Thank you	8/25/2019 4:29 PM
18	More bicycle trails and lanes Green bin for collecting household organic waste Changing the tag-line for the City from 'a place to call home' to something more attractive	8/24/2019 4:06 PM
19	Making a City Plaza with shops or playgrounds or with community-based art. It's not just a shopping center but a place to go when going out. Overall, creating a location that teens, family, and adult can go to stay and overall "hang out" there, plus foster a nightlife that all of the community can join in and FEEL SAFE IN! A place that doesn't scream "Oh, look what the City did", but "Look what we, the community, can build when we're together.	8/24/2019 5:50 AM
20	infrastructure creation & improvement surrounding pearblossom hwy including, but not ltd to, more biz optys along its "main drag" near ave T &/or fort tejon	8/20/2019 5:38 PM
21	Not having to tear down families' homes for the high speed rail. Replacing the main water lines underneath east Ave R and repaving the entire road, including sidewalks and safe areas to bike ride. LESS new shopping areas. Utilize abandoned buildings (ie, abandoned east side Vons building on Palmdale Blvd, halfway abandoned shopping center on 47th St E Target/Home Depot lot, empty medical offices on Trade Center Drive). Please stop tearing up our beautiful land for more centers when they just sit empty for years on end. Use what is readily available and requires less impact on OUR environment.	8/20/2019 9:26 AM
22	Infrastructure! improve streets and roads, beautify off-ramps, pridefully landscape the 14 freeway between Avenues S and M with Aerospace and Historical Aircrafts.	8/20/2019 12:41 AM
23	Safety. Crime. The homeless.	8/19/2019 10:27 AM
24	Build up the east side and not just the west. The east side doesn't need tire stores- we need more restaurants and shops. We'd gladly welcome a Norm's. The west side has Alice's Burgers (despite their inconvenient hours). The east side is worthy of expansion too. An out right ban on fireworks to the public. We're a desert community and the risk of potential fires is enormous. Not to mention the horrendous fear the noises instill in pets. And residents light them off beginning in June and even now in August. A city wide ordinance to maintain yards is definitely overdue. Once beautiful lawns are now brown and brittle. An eyesore. Either maintain the lawn or make the yards drought friendly. Landlords and homeowners must be held responsible. The city suffers from one home being very well maintained and then the neighbors home looks abandoned despite someone living there. Attract household name musicians for the summer concerts and NEVER bring back another cover band. Ever. Expand Dry Town Water Park. For the amount they're currently charging, the park should be double the size. The park is definitely an improvement for the city and its residents but the cost for what they offer is nowhere near reasonable. They used to grill outs at the park and now it's pre-packaged Subway sandwiches. We can drive up the street and get our choice of sandwiches at Subway. Why pay \$\$\$ in the park for an inferior option? Community safety is also a concern. Our home (as well as one of our family members home) was broken into back in 2013 or so. We have never felt safe since despite having an alarm system and multiple cameras installed. The highest rates of crime occur east of the 14. We need increased police presence in those areas. And the graffiti that pops up!! Goes right back to the conversation of eyesores. That is an immediate indication that the neighborhood is not or may not be safe.	8/18/2019 9:57 PM
25	Crime, We need jobs and an International Airport and better transportation to SFV and LA	8/18/2019 9:24 PM
26	Help solve the homeless issue	8/17/2019 3:45 PM
27	building entertainment/ cultural centers with local shops like lancaster blvd	8/15/2019 11:10 AM
28	1. The bus line access. Where some residential homes are it very difficult to walk to (up hill) or very far to walk to (10 min.) the bus line access. Making it impossible for the elderly to access at all. 2. Senior citizen activities or events.	8/15/2019 4:02 AM

29	More police.	8/13/2019 3:16 PM
30	Clean Water	8/13/2019 6:59 AM
31	Something that will encourage veterans and aerospace and defense companies to bring jobs here	8/12/2019 5:25 PM
32	Public transportation	8/12/2019 4:05 PM
33	Safety!!! Crack down on the theft, gang and drug abuse on the streets.	8/12/2019 3:23 PM
34	Maintain available open space for horseback riding and OHV use. Activities that allow teens and their parents to spend time together...staying out of trouble.	8/10/2019 4:09 PM
35	Cityt should encourage more building by providing infrastructure	8/8/2019 11:13 AM
36	earthquake preparedness readiness for economic downturns more focus on green energy, from an economic (local jobs) and environmental standpoint	8/8/2019 7:35 AM
37	More jobs	8/7/2019 2:49 PM
38	Get rid of homeless camps, they are a fire hazard	8/6/2019 10:58 PM
39	The east side needs a major overhaul. The west side needs attention as well. The Walmart was a huge mistake on Rancho Vista Blvd.	8/5/2019 12:25 PM
40	More efficient governance	7/31/2019 6:20 AM
41	To rid the city of vagrants. Or provide proper care like Bellevue.	7/30/2019 7:03 PM
42	Keep improving the streets the way the city has been doing. More security and police presence at our parks with tougher laws. I can't even take my kids to the park without seeing a bunch of ghetto people smoking weed and watching the homeless parking their Rv's at the parks and hanging out there all day making it uncomfortable with their loud music, weed smoking and loitering in front of everyone with no respect for anybody.	7/30/2019 11:57 AM
43	Jobs, Housing, Education, Traffic, Transit and recreation	7/30/2019 11:44 AM
44	Airport or push for an Express rail system to L A	7/29/2019 11:15 PM
45	Homelessness and its effect on the community	7/29/2019 1:49 PM
46	Public Transportation - Some neighborhoods don't have a bus stop in walking distance.	7/29/2019 12:47 PM
47	Traffic mitigation could be an achievable goal. There is a lot of traffic going from west to east Palmdale regardless of which street you choose. There is also a lot of traffic congestion running up 50th east from Avenue M. Possible widening of the lanes or offering more effective methods of short transits might help. For example, I know a lot of the traffic comes from Lockheed Martin and the businesses around that area.	7/29/2019 10:37 AM
48	Safety	7/28/2019 10:19 PM
49	Jobs. Commuting is terrible, mind and body.	7/28/2019 4:30 PM
50	Other on ramps and off ramps near Rancho Vista/ 14 freeway. Maybe just north of Rancho Vista so as to decongest the west 10th street and Rancho vista intersection.	7/28/2019 10:14 AM
51	Fright crime and gangs. If we need a sheriff, it's impossible to get their help. It has to change! Ave R drainage, a Veterans walk/park/something really nice to pay tribute to veterans like other cities have now days. Better yet, let's get an area where veteran organizations can get help to locate and have the park/walk/statues/honor located, and various VA services all located near each other. It's time! Make Palmdale Veteran friendly!!	7/28/2019 9:31 AM
52	leave the swap meet alone (4 pts)	7/28/2019 9:11 AM
53	Better jobs than we now have.	7/28/2019 7:37 AM
54	More family and kid places Activities for teens and young adults Support and help for low income Job opportunity	7/27/2019 11:50 PM
55	Bring crime rate down. Clean up trash thrown all over city.	7/27/2019 9:17 PM
56	In general more things to do on the east side of Palmdale. Better transportation	7/27/2019 6:16 PM
57	Traffic from i14 to the mall. Consider a direct entrance to decongest 10th street west. Much improved police services.	7/27/2019 5:38 PM

58	Safety, cut back on section 8 housing , stop letting them opening Mexican eateries , we have enough we need better education, big airport, we need to ancestors the people here not to commute so far to do fun thug s such as we have to drive so far to get good entertainment .brign back the fall festival.bring back the bus trips use to have with the city and it was a fun things for people to do.and it was awesome	7/27/2019 1:11 PM
59	Indoor/covered spaces for sports: soccer, ice rink, pool, Sunscreen at parks Walkable city with slower traffic Faster way to travel easy to west (Frey)	7/26/2019 10:34 PM
60	Schools, invest in the children. They're the future	7/26/2019 8:37 PM
61	Over the next 20-years I would like to see the city try and beautify the city, make cleaner nicer places for families and for outdoor sports; and bring more amenities to the west side. Any splash pads or large shaded parks are currently only in the east side in areas that are too far and in unsafe areas to enjoy. With the city attracting more aerospace jobs there will be more affluent families moving in who would enjoy a city with cleaner, safer, and more aesthetically pleasing areas; and more upscale shopping and dining (we have enough Walmart's and dollar stores!)	7/26/2019 6:47 PM
62	More jobs, makes it inviting to reside.	7/26/2019 12:44 PM
63	affordable housing, job training for low income	7/26/2019 12:16 PM
64	None	7/26/2019 9:58 AM
65	Less Section 8, Low Income Housing	7/26/2019 9:46 AM
66	Jobs so people don't have to commute down below. Less apartments, more single family housing.	7/26/2019 8:52 AM
67	Beautiful landscaping with palm trees Everywhere	7/26/2019 8:43 AM
68	Crime needs to be addressed	7/26/2019 1:00 AM
69	Paseos forwalking	7/25/2019 9:22 PM
70	Become one with Kern County and move away from LA County and allow Carry Permits.	7/25/2019 9:15 PM
71	Baseball field / softball field on the east side	7/25/2019 8:40 PM
72	high-speed railway	7/25/2019 2:24 PM
73	Traffic	7/25/2019 12:58 PM
74	We need wider lanes on many roads. Prepare for expansion and addition of condos, indoor tennis courts, farmers markets, and all things that would attract a younger generation to care of the older ones here.	7/25/2019 12:47 PM

76	public safety, no more silly round abouts . Make the area prettier ie: Santa Clarita/ Valencia.	7/25/2019 10:04 AM
77	slow the growth NO more multi family structures	7/25/2019 9:36 AM
78	Open up the airport and connect it to the port(s).	7/25/2019 8:30 AM
79	The gang situation in the Antelope Valley needs to be cleaned up. Homeless crisis needs help. What happened to the homeless tax we are paying? Are we getting some of the money from Los city of Angeles to help the homeless?	7/25/2019 8:20 AM
80	Make housing more accessible and affordable to young adults/students. Allow marijuana dispensaries to be in Palmdale, it would bring jobs and money to the city. Partner up with AV Fairgrounds to host music festivals/events. Contact Insomniac Events for that. Just more of what everyone goes to LA for. More fun things to do to keep kids away from the wrong stuff, and make it overall a more pleasant place to live.	7/25/2019 3:48 AM
81	20 year plans are pipe dreams	7/24/2019 9:27 PM
82	...still need an East/West Freeway as Pearblossom Hwy has become unbearable.	7/24/2019 8:49 PM
83	Safe community, police to stop breaking and abusing the law and self insured against lawsuits, police to stop harassing parents at schools and care more about actual safety and prevention not giving traffic tickets. Clarity and website posted how much funds are available, where is money coming in from where and how much money is used for what. Clear non-deceptive voting options, integrity of public service and more severe punishment for public servers abusing and breaking the law	7/24/2019 7:42 PM

84	Reduce crime and the rundown look of Palmdale. Unfortunately, many people don't respect their own property, much less our town so Palmdale has a bad reputation as filthy.	7/24/2019 7:23 PM
85	More homeless help centers. A large campground where people can stay for cheap, have a place to do laundry, eat a meal, bathe, and receive mail.	7/24/2019 6:42 PM
86	Express transports to Los Angeles	7/24/2019 6:41 PM
87	Get the airport up and running! No one enjoys LAX & Burbank is 50 min away.	7/24/2019 6:37 PM
88	a way to go from east side of palmdale to west side without being held up by train either under tracks or over	7/24/2019 6:27 PM
89	Hire qualify professionals at city level. We want to feel welcome when we go to city all. I don't want to see the mayors daughter as a secretary or a position of power simply because she's the mayor's daughter. Promote fairness to all, and diversity. Enough is enough.	7/24/2019 6:05 PM
90	Increasing jobs Safety	7/24/2019 5:13 PM
91	More housing for seniors	7/24/2019 4:54 PM
92	Safety, security,	7/24/2019 4:14 PM
93	General safety, post office on the west side, traffic around the mall/hwy 14 intersection, trash cans that do t blow garbage all over because the lids fly up.	7/24/2019 3:50 PM
94	I would like to see more activities and entertainment for our Youth.. We have a lot of people moving up here because it is more affordable but parents are having to commute and leave there kids unattended, I would like to see more activities for our youth to keep them out of gangs, off the streets and more involved with our community. Our youth is our future and we need to be vigilant on keeping them motivated.	7/24/2019 3:39 PM
95	More safety and security/make it a safer & fun city to live and work in. Definitely more jobs and housing preferably solar homes, condos etc. Beautifying Palmdale Beautiful landscape throughout city Center island dividers and more traffic lights Especially on dangerous roads and around parks and schools.	7/24/2019 3:25 PM
96	Definitely homelessness and jobs.	7/24/2019 2:49 PM
97	More shopping, dining, entertainment facilities on the Eastside.	7/24/2019 2:40 PM
98	Public Transportation for lower income residents such as students and senior citizens would be extremely helpful. A shuttle that runs from the West and East Sides of Palmdale to Palmdale Transit Center.	7/24/2019 2:17 PM
99	homelessness, updating main streets, have a look of pride.	7/24/2019 2:03 PM
100	More recreational resources.	7/24/2019 1:41 PM
101	Water resources, crime	7/24/2019 1:30 PM
102	Clean up the area. More security	7/24/2019 1:11 PM
103	Can we do anything about the wind? Ha ha ha I couldn't resist!	7/24/2019 12:58 PM
104	Build more lakes, bid for a drone manufacturing facility which will wing the existing airplane ones & raise the average household income along with an economic boom.	7/24/2019 12:37 PM
105	Clean up the city and make it nicer....starting with Palmdale blvd	7/24/2019 12:34 PM
106	Homelessness. I've lived here my whole life and palmdale has maintained being clean in most areas and I'd like to see it continue on that way for my children.	7/24/2019 12:28 PM
107	AIRPORT AND SUPER FAST AFFORDABLE TRANSPORTATION	7/24/2019 12:24 PM
108	Road maintenance.	7/24/2019 12:23 PM
109	No more government subsidized housing or apartments! It brings crime with it. Tell LA to stop sending us their problems with a one way metro ticket.	7/24/2019 12:08 PM
110	Improved roads and renaming of streets, get rid of alphabetical street names	7/24/2019 12:06 PM
111	No section 8. More freeway police. Horrible safety issues on the 14.	7/24/2019 12:02 PM
112	Improve public schools.	7/24/2019 12:01 PM

113	Infrastructure (quality roads, freeways, transportation) housing development entertainment venues	7/24/2019 12:00 PM
114	That the city should stop approving housing tracts with no concern for infrastructure. West side School District had to sue developers to get Anaverde School built. Then there is the big problem of unsafe traffic around the schools themselves. No sidewalks for kids to use to walk to and from school, on a 60 mph stretch of Rancho Vista Blvd. Please stop using the excuse of CA law determining speed limits. Somehow Valencia is able to enforce lower speed limits. Golden Valley Road's speed limit was JUST changed this year from 45 to 50. Until the city gets serious about being a city then Palmdale will always be a crappy place.	7/21/2019 9:27 PM
115	More recreation centers that have daily public access to youth and adults. Right now they are only used for classes. Need more locations. Two is not enough.	7/16/2019 4:43 PM
116	"Eco-friendly" ... The community more involved, a safe town to call home. Family - Friendly! Abundant, Socially acceptable.. professional network center.. Creative self help development guides. Job opportunities to minimize homelessness.	7/15/2019 10:36 PM
117	Safety improvement at our preschools, elementary/middle & high schools (private & public). Turn signals at intersections, not just "turn on green". Possible water pad area for kids & families for the summer time.	7/14/2019 8:05 PM
118	I feel that we need to attract the working-class to Palmdale instead of allowing Los Angeles to dump their section 8 and homeless residents here. We need to bring more businesses to the east side of town and improve our roads. We need more of our neighborhoods to look like the ones in Anaverde and stop residents from painting their houses with god awful colors that don't match the rest of the neighborhood.	7/14/2019 2:13 PM
119	A homeless shelter and more community resources for low income community. No more liquor stores!	7/13/2019 7:26 AM
120	Definitely our environmental impact and more awareness of what climate change means to Palmdale as a community. More focus on really bringing this city together.	7/12/2019 6:44 PM
121	Safety. Seeing more of the residents and visitors outdoors and walking around their city without fear or distractions	7/11/2019 7:16 PM
122	bike lanes, just in case I haven't made that clear	7/11/2019 9:36 AM
123	Equestrian trails, keep multi use out of our town.	7/9/2019 4:09 PM
124	Transportation is first one, creating sustainable resources like water and quality air, creating green protected areas, if it's possible, reforest the city and take advantage of rain and water recycling. City is in development we could create a great bike lines system. Improve train and buses services.	7/7/2019 11:37 AM
125	The city has lost control of the illegal fireworks issue. Weeks of continuous nightly illegal fireworks has had a negative impact on the quality of life for thousands of Palmdale residents.	7/5/2019 8:08 AM
126	Need schools to go back to being LOCAL. Schools complain about traffic and such by the schools are too far for kids to safely walk to. Need something like LPAC or Dorothy Chandler Pavilion. Palmdale Playhouse is too small, poorly laid out and has no parking. Need an official Public Square so events can be held with lots of parking like at the fair, but something people can rent out too. Not the little park in front of city hall. Need a top quality domestic violence shelter with three buildings, one for single females, one for males, and one for families. Need a state of the art law enforcement training facility and crime lab. Maybe work to get a movie studio or quality sound recording studio up here since we have so much land.	7/4/2019 9:57 AM
127	Improvements to infrastructure is something I definitely hear from nearly citizen I know or have met.	7/3/2019 3:12 AM
128	More events	7/2/2019 11:50 PM
129	More single family homes.	7/1/2019 12:21 PM
130	Better opportunities for new business owners. Broaden the zoning for certain businesses	7/1/2019 5:39 AM

131	Definitely need more police, quicker response times, healthcare improvements. We don't need more low-income housing. Palmdale needs to be built up so that middle-class can live a peaceful life and not bombarded by panhandlers, dirty trash all over desert. Less crime. Too much crime in the past 3 years and not much is being done. People will eventually move if nothing changes. Stop giving everything away for free and make people work for things. More parking enforcement is needed. Too many neighbors with too many parked cars on street (I think 8 cars for 1 house is too much). People need to be held accountable for trashy yards. If you could fix 1 thing, it should be the crime.	6/27/2019 10:37 PM
132	East Palmdale is lacking in a lot of things. There isn't any shopping or entertainment/restaurants to keep people there. Palmdale as a whole needs better/more affordable housing for the younger generations (late 20s to 30s) Housing is either for elderly or low-income families. We need modern and trendy housing such as townhomes, condos, etc. Palmdale looks outdated and rundown.	6/27/2019 3:16 PM
133	Airport	6/25/2019 6:05 PM
134	Better road maintenance	6/24/2019 12:32 PM
135	In addition to bringing in jobs, we need more activities, places to gather publicly for entertainment. We're leaps & bounds from where we were 20 years ago, but we need something in Palmdale that's like Lancaster Blvd. We don't have to be an exact duplicate, but maybe put it along the area where Avenue Q is, &/or where they city library is.	6/24/2019 7:59 AM
136	City services, road maintenance, job opportunities.	6/23/2019 4:39 PM
137	We would like to see more different types of restaurants off of "10th West and Rancho Vista" corridor. Such as, Kitchen Pizza Place, King Taco, Cheesecake Factory, Bubba Gump, etc. However, please do not add more retail stores or grocery stores near the mall area off of Rancho Vista and 15th West. That side of Palmdale should remain "Residential." In addition, we would also love to see more affordable housing for those who are homeless. Especially, those who have children and staying in Motels due to being homeless. We have many students at Palmdale School District who are homeless and stay from Motel to Motel. Please assist with this great need! Thank you.	6/23/2019 1:09 PM
138	Remodel	6/21/2019 8:53 PM
139	Not allowing Palmdale to look like Los Angeles or the valley, my neighborhood has been consumed with multiple family's living in one home, many cars which takes parking space from my family in front of my home	6/20/2019 2:54 PM
140	N/A	6/19/2019 1:18 PM
141	Safe Bike trails for alternative transportation	6/18/2019 8:10 PM
142	Proper police force that actually polices the city.	6/18/2019 5:52 PM
143	Good traffic flow on major streets	6/18/2019 12:51 PM
144	An airport would be amazing ! a priorities to keep Palmdale clean and safe and find a way to stop illegal dumping! Walking paths and bicycle lanes would be a great as well !	6/18/2019 12:06 PM
145	Bettering our schools. 3s and 4s out of 10s are not acceptable. The minimum should be a 7 with a goal of 9 or 10 across the board. In my opinion, that is the primary deterrent for highly skilled workers to move to Palmdale at this time.	6/16/2019 8:12 PM
146	Traffic Control	6/16/2019 3:42 PM
147	Developing properties in Palmdale is extremely difficult due to utility costs, building fees and planning department inflexible requirements.	6/15/2019 3:06 PM
148	An acknowledgement of the tarnished and undeserved image of a cultural backwater and a determination to change that!	6/15/2019 12:50 PM
149	enforcement of code violations in all sectors.	6/14/2019 9:26 AM
150	There seems to be a lot of homeless people coming from other cities. I would like to have a program to employ the one's that are able to work. To help them be productive. Safety is a big concern of mine. I drive my kids 15 min. away to play in the West Side of Palmdale at Mary Kerr. I would like to feel safe on my side of the City and have a better park here as well. Equal opportunities and activities for all kids, no matter what side of Palmdale they grow up in.	6/13/2019 11:16 PM
151	As mention above, general plan should consists places to cater for children. To bring up responsible citizens.	6/13/2019 8:39 PM

152	More trade educational opportunities like welding, automotive and Electrician schools.	6/13/2019 8:28 PM
153	Bring more quality jobs, higher paying jobs. AND, let's get the Airport be a reality. I personally have invested in this town with the promises of an airport over 40 yrs ago, moved here for 4 yrs and have lived here over 30, it never happened. Not supported by the state or county politicians. Rather pollute the air making us drive to Burbank, and what's worse, to LAX.	6/13/2019 2:43 PM
154	Homeless population!!!	6/13/2019 12:28 PM
155	Modernize all remaining major roads	6/12/2019 8:32 PM
156	Jobs.	6/12/2019 4:46 PM
157	Open spaces, safe parks, wider streets. Slower traffic, no fines for realtor signs on corners promoting open houses. More public pools. What Palmdale did with the water park was exceptionally good.	6/12/2019 4:17 PM
158	we need more trees	6/12/2019 2:16 PM
159	More traffic lights for safety Too many car accidents death	6/12/2019 2:02 PM
160	Safety, schools, parks, and nice tract builds.	6/12/2019 1:42 PM
161	installation of traffic signals in areas where needed (45th/Ave R). Since we're in the desert, more shade options thru-out the city when waiting for local transit.	6/12/2019 12:57 PM
162	More Affordable single family residences. More entertainment and cultural opportunities. More Job Creation.	6/12/2019 12:00 PM
163	Development of vacant lots on main streets. Zero tolerance towards crime and harassment of public. Business and real estate development friendly local government. Beautification of city. High end retailers and developments. Wealthier population. Removal of the "low income" area stigma that accompanies the area. Major employers moving to area with manufacturing and high paying employment opportunities. Responsive local government.	6/12/2019 11:11 AM
164	As a Master Plan, I would love to see more integration of local businesses rather than major chains and franchises. This helps to put money back into the community rather than sending it off to Corporations in other States.	6/12/2019 11:07 AM
165	Quit bulldozing over the native plants, like the Joshua trees.	6/12/2019 11:04 AM
166	It should model itself after Burbank, studio city, calabastas etc. it's so dirty and run down. Just old looking 2007 crash ruined this city.	6/12/2019 11:01 AM
167	An actual university would be a great.	6/12/2019 8:12 AM
168	traffic in and around the mall and freeway	6/11/2019 3:59 PM
169	Renewable, reusable formats. Perhaps small appliance repair training?	6/11/2019 9:30 AM
170	way better and more efficient public transportation....beautification projects and more safe places for children and pedestrians....	6/10/2019 11:49 PM
171	Having the east palmdale feel safe to be in and to atleast match the west palmdale a little more closely	6/10/2019 11:30 PM
172	More entertaining businesses for example arcades bigger fun zone than mulligans more fun attractions	6/10/2019 12:27 AM
173	Public transportation to downtown la could be improved	6/9/2019 12:23 PM
174	Waste management clean up Palmdale from all the trash/liter and illegal dumping	6/9/2019 6:29 AM
175	Creative Economy with jobs in arts and culture. More engagement with AVC Palmdale Campus and community classes. Animal Care and Control to keep pets safe and off the streets because of irresponsible pet owners. Clean up of dumping and garbage in our landscape. Care as much about the East as you do about the West regardless of demographics and income.	6/8/2019 6:40 PM
176	Crime and employment/educational opportunities	6/8/2019 9:30 AM

177	Stop the sprawl. Focus on the resident that are here now and improving their lives rather than improving it for those coming in. Fill in the empty lots throughout rather than growing out. Rezone the empty lots to be commercial/medical/restaurants. Establish a city center and a medical center. Develop smaller homes and townhomes for the elderly near the medical center. Reduce your residents commutes. Keep them working here if possible. Phase out the acceptance of big players in this city funneling money rather than reinvesting in the city/community. Adopt the concept of giving back to the community you are benefitting from. That should apply to all developers, businesses, companies, hospitals, medical centers. I'm starting to get the feeling that this city has been held back a little by people/companies creating "monopolies" in the area and exploiting that rather than being humbled and giving back. Allow for competition. Going back to growth and infrastructure, Study a city like San Luis Obispo. It's easy to drive, easy to bike and walk, parking is not an issue and it's affordable. Taking the bus is always an option. They have restaurants and stores sprinkled throughout neighborhoods while still providing the suburban shopping centers and downtown core. I understand they're a much more affluent city but look at scaling that model down to meet Palmdale's budget.	6/8/2019 7:48 AM
178	More single family homes that are not so big and expensive.	6/7/2019 10:49 AM
179	Safety of residents	6/6/2019 4:36 PM
180	More activities! All there is to do is shop. Have movies (a variety, nothing inappropriate of course but more than just family friendly; movies teens would like to see, date night movies, cultural films, etc.) at a park or public venue. Thursday night on the square was great a few years ago; I don't know exactly what happened with that but it seemed like the city just gave up. A farmers market, the one in Lancaster usually has a good turnout. Around the globe days for kids, events about what kid's in other countries do for fun, learn, their culture, etc. Please, please stop prioritizing the West side, it seems almost everything is over there. East Palmdale is severely neglected. Everything I've listed I imagined being done in the east side. So many kids, families live there and have to travel, if they can, with limited public transportation, to any entertainment all the way to the West side. The movies, the amphitheatre, the mall, "fancy" food... We need the Eastside to be revitalized.	6/6/2019 3:07 AM
181	Make 10th St. W and Rancho Vista less congested.	6/5/2019 7:51 PM
182	A plan on where to build housing \. A plan for business. Preserve the open spaces. Stop the mindless building.	6/5/2019 4:43 PM
183	Plan better for growth with roads. Better jobs locally so parents can get home in time to control their kids!! More affordable housing since home owners are more likely to have pride in their community.	6/5/2019 4:11 PM
184	Address the lack of activities for the youth and create safe spaces for families to gather for cultural events.	6/5/2019 9:39 AM
185	Get the airport open to commercial use and get the high speed train to Las Vegas	6/5/2019 6:16 AM
186	Do not want palmdale to become like Lancaster with those bike lanes that are a waste of money, the weather out here is not conducive to bike riding.	6/4/2019 9:42 PM
187	1) The Antelope Valley needs a State University located in the heart of Palmdale. 2) Widening the 14FWY and/or developing a new 4 lane highway path straight to Pasadena/Altadena. 3) Extend Metro Transit to promote walking with more frequent intervals and more stops. 4) As the City grows, we will require more health services and an additional Trauma 3 Hospital (Maybe Kaiser can add a hospital extension to their existing medical clinic locations).	6/4/2019 9:35 PM
188	Homeless, youth with nothing to do but get in trouble	6/4/2019 7:04 PM
189	* There should be a freeway (similar to the 14) that takes you East to West. *There should be more "arts". Like a night club/coffee shop style place where people can relax at night and see live performances. The performers can be locals sharing their art or people visiting our town. The performances could be a poetry night, jazz night, live singers, paint and sip night, spoken word, etc. Genuine entertainment. *More clubs and activities for adults. Dance businesses, adult sport clubs (so adults can play sports for fun), etc. Ways that adults can also be active. 18 is usually the cut off for anything fun unless you have the privilege to play a college sport. It would be nice for these type of activities to be open for an adult crowd. (I do understand that some of the business attraction is out of Palmdales control. I just thought why not ask and see if anything can be done)	6/4/2019 6:25 PM
190	safer community (terrible reputation), horrible/pathetic school ratings, just getting off the freeway and or driving around we have to improve/beautify, maybe encourage actual Universities (e.g. Cal Poly, UC schools as well as Vegas type casinos to generate revenue and entertainment.	6/4/2019 6:07 PM

191	All old homes need to be upgraded, improvements, make the whole city beautiful, so it's not ghetto, do something with all empty buildings, turn into small affordable business or homes.	6/4/2019 4:35 PM
192	Stop allowing Lancaster to infiltrate. Work on improving the eastside, or create a West Palmdale city and separate the two.	6/4/2019 4:15 PM
193	More youth focused, job training, housing, community health.	6/4/2019 3:38 PM
194	Golf courses	6/4/2019 11:47 AM
195	More Shopping Centers or small convenient centers off of Ave S before freeway (Starbucks, Shell, etc.) Better service for phones, internet, wifi	6/4/2019 11:02 AM
196	More businesses and entertainment.	6/4/2019 10:27 AM
197	Making Palmdale more attractive to 18yrs- 30yrs. Students graduate from school and then move away. If we have jobs, education and entertainment opportunities, we could hold on to this demographic.	6/4/2019 9:21 AM
198	Rebuild/Revamp Division to East. Provide more options to the east side (where many people live). There just simply isn't much to do other than cause trouble.	6/4/2019 8:24 AM
199	Good parks, splash pads, walking trails.	6/4/2019 2:44 AM
200	More improved n better community colleges n better Public transportation and more STEM programs schools starting from elementary school level pls. Faster internet n other technologies services.	6/3/2019 11:26 PM
201	More Clarity and Transparency regarding City of Palmdale taxes added to our property tax bill! Please consider a sewer collection service charge discount, matching LA Co. Sanitation Dist. #20!	6/3/2019 10:07 PM
202	See #18	6/3/2019 8:57 PM
203	Basically same as question #9. We really need to tackle the homeless and drug issue that is growing in our high desert cities. Additionally, there needs to be affordable housing for our young adults, not just low income, although they fall into the same category.	6/3/2019 7:37 PM
204	Second Hand Smoke Policies Healthy Place to live More medical/physicians	6/3/2019 6:39 PM
205	-having a 4-yr college available (Ave N to AveM on 10th West) -increase public transportation options/frequency of buses and routes -a kaiser hospital - more community events -more medical specialties in the area -more shopping -affordable after school/summer programs for kids/youth	6/3/2019 6:04 PM
206	Safety and crime to continue to be top priority. Top paying jobs and parks--just like we have now.	6/3/2019 4:35 PM
207	Amongst the problems with job availability, access to higher education, infrastructure, and policing I would like to take this opportunity to stress on the need to keep new alcohol retailers out of our community and instead focus on making the food deserts in Palmdale a thing of the past.	6/3/2019 3:13 PM
208	Safety. Decrease crime. Which means stop building and killing our beautiful desert.	6/3/2019 1:23 PM
209	Recreational Activities: This would promote well being within families, they would be able to participate in outdoor activities, socialize, exercise, and enjoy the outdoors	6/3/2019 8:36 AM
210	To really enforce laws that are in place for example from me we have street cleaning but there's no parking enforcement to support this street cleaning. Train the city worker better at serving the community with accurate information. For example, I have a neighbor that has a tree that's causing damage to several properties and the only process in place is to sue one another rather than enforcing the maintenance large trees. It's unfortunate that the tree is going to fall and cause severe property damage & possibly lies before something's done about it!	6/3/2019 5:28 AM
211	Improve Airport.	6/3/2019 3:00 AM
212	Better traffic flow. The traffic lights by the mall are terrible and traffic backs up on the freeway and intersections.	6/2/2019 7:55 PM
213	Crime abatement. More job development. I just wanted to say, I am not a Palmdale resident but I visit Palmdale almost daily for shopping, restaurants, library, senior activities at Legacy Commons. One of my sons was hired at a Palmdale business. I spend a lot of time in Palmdale.	6/2/2019 7:02 PM
214	P and 10th traffic. Repaving streets.	6/2/2019 2:36 PM
215	More good paying jobs and industries.	6/2/2019 2:03 PM
216	Street maintenance, all public areas need beautified	6/2/2019 2:03 PM

217	Infrastructure, cooperations with high paying salaries, warehouses with high paying salaries, eliminate crime, 4 year college, expanding Antelope Valley College, affordable condos and apartments, youth centers....	6/2/2019 12:55 PM
218	Road condition improvement (with routine) Address stoplight infrastructure/timing (0 to 60 to 0 mph every quarter mile is frustrating and tough on vehicles) No need for High Speed Rail. Waste of money. Regional airport development would be neat, but need to weigh costs.	6/2/2019 10:43 AM
219	No criminal activity. Affordable housing for everyone, not just HUDD.	6/2/2019 9:48 AM
220	Community policing. Decrease the speed limit.	6/2/2019 8:23 AM
221	The 10th St. W & Rancho Vista intersection needs serious improvement to alleviate the current, and growing, congestion problem. Also, less Section 8 and apartment housing; negative elements are encroaching on the safe and family feel Palmdale used to have.	6/2/2019 7:11 AM
222	Paved roads throughout Palmdale, at least where there is housing. For example, the area of Palmdale Blvd/E ave Q/ 25 st e/ 30th st e	6/2/2019 6:27 AM
223	Street improvement, more entertainment for younger children, safer streets.	6/2/2019 3:49 AM
224	Organize a faire or festival	6/2/2019 12:10 AM
225	Trash in the streets. These people just don't care. Clean up old dead trees and bushes along roadsides. This could be a job for the highway dept. Plus it's ugly to visitors.	6/1/2019 10:46 PM
226	More lighting on some streets especially in east Palmdale. Better public transit system.	6/1/2019 9:06 PM
227	How to crack down on slumlords and strip mall property owners who rent out but do not take care of their properties.tear down the slums. Their depressing and make our town look bad. Tear down uninhabited buildings, especially the ones that can be seen from freeways, and replace with development.	6/1/2019 7:38 PM
228	Traffic mediation. First priority 10th St W and mall area.	6/1/2019 7:01 PM
229	More homeless shelters. More city street lights- especially along Tierra Subida. Modernize or demolish older palmdale buildings/shops/strip malls. ( tierra subida and palmdale blvd- SE corner for instance) Follow through more QUICKLY on future plans. Fill business spaces north of palmdale blvd- east of 5th west fully.	6/1/2019 6:31 PM
230	Better transportation infrastructure. Roads are starting to get crowded and need widening, more traffic lights etc—or develop shuttles and ways to get around to encourage leaving car behind. Jobs and education are super important as is housing.	6/1/2019 5:34 PM
231	Safety! Drugs and gang being decreased significantly. More affordable housing , more mental health services	6/1/2019 4:17 PM
232	Issues with unoccupied businesses, illegal dumping, graffiti	6/1/2019 3:44 PM
233	Review placement of businesses overloaded in on area causing traffic congestion. There are many empty business strip malls throughout Palmdale. Revamp or redesign those areas. Make more appealing to incoming businesses.	6/1/2019 2:29 PM
234	partner with USC or UCLA to bring colleges so students do not have to travel so far away.	6/1/2019 1:24 PM
235	A University, transportation for all areas of Palmdale, JOBS JOBS and more JOBS. Affordable Housing for our young folks, Townhomes, small cottage style homes for those starting out. Youth programs "it takes a village" to help our children 🙏	6/1/2019 12:50 PM
236	An East/West freeway to reduce travel time and congestion east/west.	6/1/2019 12:49 PM
237	Can we do something about the homeless everywhere?	6/1/2019 12:36 PM
238	stop attracting low income with housing, stores, and low paying jobs - put the priority in middle class and education	6/1/2019 11:48 AM
239	Sheriff presence, doing more, patrolling more. Cleaning up our neighborhoods	6/1/2019 11:21 AM
240	Palmdale has utterly failed to correct many traffic issues particularly relating to the interface between Avenues M and P near the rail tracks/Sierra Hwy. Good jobs are east of Sierra Hwy, good neighborhoods are west. Assist workers in getting to/from their jobs by expediting traffic into and out of Plant 42. 20 minute travel time from 20th St E to Sierra Hwy along Ave P is standard beginning at 3:00 pm. This must be fixed.	6/1/2019 11:15 AM

241	Making a greater percentage of the population aware of the services the city has to offer (job services, low-income services, youth services, etc.)	6/1/2019 11:13 AM
242	Not sure, biggest issue is horrible Metrolink schedules make using the train impossible sure to excessive layovers.	6/1/2019 11:06 AM
243	Roads repaved throughout the city. Code enforcement to help with beautification of our city. Less section 8 and other low income housing.	6/1/2019 10:50 AM
244	more educational and career opportunities for residents	6/1/2019 10:49 AM
245	Managed development so that we do not outgrow our natural resources.	6/1/2019 10:48 AM
246	Traffic congestion relief on 10th street west near the mall	6/1/2019 10:35 AM
247	Our city should look nice, we have amazing industries it should show everywhere we go. Pay more attention to the middle of the city instead of letting it continue to deteriorate. Reduce the number of businesses that are a detriment to our youth. Have evening family activities so commuters may be included. True Thursday NIGHT on the square. Friday NIGHT lights. 4th of July fireworks show in Mid Palmdale like before. Hire an excellent attorney who will see a needed change before it becomes a law suit that wastes our city funds. The city Manager & Assistant are good, just go door to door and get resident input on changes like center dividers etc. in that neighborhood before spending the money. Please get things for teens to do in Palmdale and JOBS for the not so well educated. Brilliant people who do not do well in school need jobs too. Bring us together as community with beautification projects.	6/1/2019 10:23 AM
248	More upscale dining and shopping in the Rancho Vista are	6/1/2019 9:22 AM
249	Street repair and widening.	6/1/2019 9:18 AM
250	Safer Roads, Upkeep	6/1/2019 8:54 AM
251	See #9 above. I think community safety should be a top priority.	6/1/2019 8:42 AM
252	Families need places to play that aren't expensive. The AV has a large cycling and mountain biking community, but nowhere designated to ride. Playgrounds and parks need covered areas so it isn't too hot in the summer. Kids between 10-14 have few options for fitness that aren't expensive or designed for little kids. (For example, they are too young for adult lap swim even when they want to swim laps, not play and too young for the gyms, but too old for the lessons.)	6/1/2019 8:15 AM
253	Address crime issues, I see it's only going to get worse with housing shortages and unaffordability down below.. we have great schools and hospitals.	6/1/2019 8:08 AM
254	We need a way to stand out beyond affordable housing. How is Palmdale different from Lancaster, from Santa Clarita? What is there to do with our out of town guests and families beyond, going to movie or shopping? Santa Clarita has Amgen bike trail, extensive walking/nature paths. Many of us love the arts and cultural events and love the Jethawks but we have to go to Lancaster for LPAC and the Jethawks. College students leave Palmdale for summer internships, vacation jobs, etc. I love Palmdale but as an arts educator, I super commute to teach in LAUSD everyday. I have seen many improvements in Palmdale over the years and thank you for the survey. What can be done about drivers racing up and down 65th street west and doing donuts at Gentil Rose Way even in daylight? What can be done to discourage speeding on Avenue M-8 around 65th street and 70th street west and the car-donut activity? Also at 70th street west CA Aqueduct graffiti is on the overpass. There needs to be graffiti abatement. How are roads being maintained between West Avenue M on 65th street west and along M-8 some city road came and drizzled tar or something along the cracks and it looks horrible, just horrible. Why not fully repair the roads? What's with the patchwork, jigsaw hideous work? We have lovely, we'll maintained homes and the main roads look like that? We pay plenty in taxes. My last question is how is the concrete road alongside the CA Aqueduct being maintained? In particular, the stretch of the aqueduct from Avenue P up and beyond Avenue 70th street West, has ever widening cracks that if you aren't careful you can trip, lose your footing. These cracks, separations are as wide 2-3 inches in many areas and still widening. Is this evidence of ground beneath giving way? Is this same phenomenon responsible for the cracks along the roads on 65th street west and Avenue M-8? Also at various odd times during the day loud booms occur which can be heard in Quartz Hill and Godde Estates and the gorgeous subdivision where the streets are named after wines. Is this frightening booming connected to the street fracturing and aqueduct fracturing? Have geologist, civil and environment engineers been contacted, or even seismologists?	6/1/2019 7:37 AM

255	It has become unbearable to live here. Drug dealers near our house that have been busted several times but are still at it. Fireworks going off above our house every night leading up to the fourth. If the police can't handle these issues, no master plan can possibly improve the quality of life in the city. Community events brought back, Fourth of July fireworks and Fall Festival, Lilac Festival.	6/1/2019 7:31 AM
256	Crime control, overpasses for railroad tracks on Ave P & Ave S, less low income housing, nice senior communities, air service, and beautiful entertainment venues.	6/1/2019 7:27 AM
257	Would like to see traffic congested areas improved. Would like to see major beautification projects implemented including pedestrian walkways and bicycle paths.	6/1/2019 7:23 AM
258	Express Metro Links. Current ones are really slow. The 14 is VERY crowded. Glad I work here now.	6/1/2019 6:40 AM

262	No more new housing! There's too much traffic here already.	6/1/2019 12:59 AM
263	Youth educational opportunities that are not offered at schools. Youth sports and health. True community and elected officials relationships.	5/31/2019 10:49 PM
264	Keeping middle income families in the City and the State. A home owner in Palmdale is more likely to be a senior citizen or an investor that rents it out.	5/31/2019 10:31 PM
265	Try to get rid of all the child molesters and the plethora of pit bulls!!!	5/31/2019 10:12 PM
266	Expand roadways for Pearblossom Highway, Palmdale Blvd, Avenue S. Improve the public school system by adding more schools geared toward aeronautics, college prep schools. Add a separate street for Pete Knight High School as the traffic on 65th Street East & Avenue S is severely congested in the mornings, and especially in the afternoons creating traffic nightmares in our neighborhoods. There are so many cars parked or double parked in our residential streets making it very difficult to get out of one's own driveway. Create more sidewalks. Bring in more jobs from other corporations to establish satellite offices in the AV such as UCLA Medical Offices. Re-establish Palmdale Airport. By creating more jobs in the AV, it will hopefully eliminate 4+ hour commutes for working families. Families can spend quality time together instead of commuting long distances for better paying jobs. Construct more parks with covered play areas for kids to avoid extreme sun exposure. Need of indoor public pools for year round recreation. Metrolink direct to LAX.	5/31/2019 9:49 PM
267	limiting section 8 housing and apartments	5/31/2019 9:47 PM
268	Homeless shelters Fresh fruit and produce vendors in Palmdale Better youth facility buildings	5/31/2019 9:14 PM
269	A train system would be a great incentive for people who are priced out of the housing market in Los Angeles. More stores around town and at AV mall. I love that there are so many grocery stores to choose from. I think improving what extracurricular activities the public schools can offer would also attract families. We have great parks and the events that we hold there are also fun but we need to get the word out to the community. When I first moved here, I was completely unaware of all the great recreational classes and resources that are here. We should also get the word out about how GREAT the public libraries are. I go there every other week with my two kids, 4 and 6, to get new books. They love reading. My kids have taken multiple recreational classes at the parks, and a lot of them are not full and sometimes cancelled because of enrollment numbers. Get the word out about the classes (AND their affordable prices), especially to young families.	5/31/2019 9:14 PM
270	Public safety	5/31/2019 8:55 PM
271	Pave the dirt roads on the west side. Nice homes on dirt roads seems ridiculous in this day & age.	5/31/2019 8:39 PM
272	Paving the dirt streets. Repavement of the old cracked and potholed Streets	5/31/2019 8:24 PM
273	Climate Change!!! Let's quit pretending that the way we live is sustainable.	5/31/2019 8:08 PM

287	Street repairs!!!!	5/31/2019 5:02 PM
288	Traffic issues, more parks as population grows, develop activities & events geared to adults - not kids/families, try 2 attract other types of jobs/careers here - more variety. Create an artist colony of studios somewhere, like what San Diego's Balboa park has - where u can go see the artists working in their studios - or put rotating artists in there of different art forms.	5/31/2019 4:58 PM
289	Illegal dumping, graffiti Better education opportunities	5/31/2019 4:57 PM
290	Crime,	5/31/2019 4:53 PM
291	More street signage (eg., People not stopping stop signs), more available patrols of neighborhoods. Avenue S is a good example of a thoughtfully street planned improvement, I hope future plans are as successful. Still issues w/flooding during rains, but that's Valley-wide.	5/31/2019 4:53 PM
292	Adequate road space and infrastructure to support growing population. Incentives to aerospace companies to stay here. Solutions to homelessness and safety.	5/31/2019 4:50 PM
293	We need more las enforcement available on the streets. We need more community participation, and we need more youth community centers, along with better educational resources.	5/31/2019 4:50 PM

299	better road quality, enough lanes for good traffic flow, more bike lanes/trails, more high-quality restaurants, more and better cultural options to avoid having to go to LA all the time.	5/31/2019 4:19 PM
300	Increase the number and quality of museums, enlarge the airport, build more libraries, make new business feel welcome, build parks with water activities, have our own police department.	5/31/2019 4:08 PM
301	More law enforcement officers	5/31/2019 4:03 PM
302	Prompt attention to fixing pot holes in our streets.	5/31/2019 4:01 PM
303	Continue to improve on reducing our crime rates.	5/31/2019 4:00 PM
304	Please do not try to tilt the scales for any one group. Please follow the same rules and regulations and apply them to everyone, not just for against those you think deserve it. We also need the Pearblossom highway from 47th East to the 14 fixed. The potholes are horrendous.	5/31/2019 3:56 PM
305	Better business opportunity with less restrictions and taxes	5/31/2019 3:56 PM

306	There has to be development that allows younger people to buy condos that are in denser living areas that build up rather than out and offer walkability, a place for congregating, creating courtyards or inner plazas that shield from the high winds and scorching sun and that open up to other areas which allow for people to stay and explore. The wide avenues and walled streets are not welcoming and they do not engender a sense of community. There has to be areas that welcome community making opportunities and attract different types of jobs, such as trying to harness the idea of the gig-economy where there are shared workspaces, but maybe there needs to be shared style living buildings for younger people and maybe even for elderly. That's the other thing, there should be a move to make Palmdale the place for retiring in providing cheaper housing communities, superb health care facilities, and ease of travel (within the city but also between here and Los Angeles). It would be awesome if there were an effort to integrate the city through a light rail system because the bus schedule sucks. It takes half the day to just get from one end of the city to AVC. I can't imagine this being useful for folks already having a hard time getting by. This city is not livable unless you have a car and the more cars we have the worse the traffic gets. I would love to be able to get to DT Palmdale, walk to the mosque then back without having to drive 20 miles round trip but do a commute in under 1 hour. Also we don't need larger stores and shopping centers, it would be nice to have smaller ones spread out across more neighborhoods. Large shopping complexes just seem to take up space, create congestion and when the anchors skip or go out of business we have these huge spaces left with nothing to appropriately fill up the space (specifically speaking to Walmart here). Also, it would be really great to have more white collar job opportunities here. Attracting jobs that are degree based or require certification would be really good for the city and having office buildings build up will be a wonderful sight with the mountains as the backdrop.	5/31/2019 3:55 PM
307	Let people earn money from their homes and not restrict them	5/31/2019 3:54 PM
308	Recurring Cultural events like the Inkwell Festival. A great one would be food trucks with local music. Portland does this and it's awesome.	5/31/2019 3:53 PM
309	traffic improvements, well-paying employment opportunities, off-street parking for all residential developments, industrial park for employment	5/31/2019 3:50 PM
310	Connected through technology, A sustainably developed city system, diverse and safe communities.	5/31/2019 3:50 PM
311	Art and cultural experiences, museums. Affordable housing for couples. Downtown life, events. More career opportunities.	5/31/2019 3:48 PM
312	I believe we need some nice affordable apartments for single professional people. Let's add more restaurants and shopping with healthier alternatives. I would like to see a labor and delivery unit added to PRMC.	5/31/2019 3:45 PM
313	Work on the homeless problem. Keep Marie Kerr Park and the shopping center across the street from letting people sell drugs and when you call the sheriffs have them respond. Take care of all the trash and dumping on open empty lots	5/31/2019 3:43 PM
314	Bridge on 20th and Palmdale, attract family center ie Dave & Busters, airport, promote technology in development, update school facilities	5/31/2019 3:34 PM
315	Less of homeless, less dumping of trash in the desert, better animal control, better landscape requirements for housing, better parking control in neighborhoods (no cars in yards, inoperable cars parked on the street), and better control of multiple families living in single family homes.	5/31/2019 3:34 PM
316	Eliminating homelessness/poverty	5/31/2019 3:32 PM
317	N/A	5/31/2019 3:29 PM
318	Jobs for the people that live here. Diversity, for job competition. Better education facilities, and job training.	5/31/2019 3:29 PM
319	The area by the mall is congested especially around Christmas time. It needs a better flow of traffic. We need a separate children's library. I drive to Quartz-hill because Palmdale library is too scary for me kids. Shaded paths would to walk and ride bikes for miles without traffic would be wonderful. I can't wait for Whole Foods, that is a step in the right direction.	5/31/2019 3:29 PM
320	Maintain and improve the road infrastructure Maintain parks and open spaces in excellent condition Hold property owners accountable to at least a minimum standard of condition Provide an area for the homeless to establish their camps with access to water and toilets Prioritize renovations/occupation of vacant retail space over new facilities	5/31/2019 3:28 PM

321	Need deal with the wrong type of people coming into the community (drugs, gangs, human trafficking, etc.) that Palmdale and Lancaster seem to be enticing to come live here. Stop title 8 and other programs like it. Change the city tag line of "a place to live". What kind of tag line is that. Nothing to be proud of.	5/31/2019 3:27 PM
322	Revitalization of the area of Palmdale Blvd from Sierra Highway to 25th St E, and better development of the east side of town (i.e. 47th St E and further).	5/31/2019 3:23 PM
323	All of the above!	5/31/2019 3:23 PM

325	Safety should be number one and also i would like palmdale and Lancaster cleaner, more city workers cleaning graffiti and trash	5/31/2019 3:17 PM
326	Please keep recreational opportunities in the Joshua Ranch area. It's the only hilly, wild area for that sort of thing close by.	5/31/2019 3:15 PM
327	different types of housing (not just single family and apartments) - duplexes with small yards, condo with small yards. more for young adults to do (18 - 30 yr olds.	5/31/2019 3:15 PM
328	Homelessness Affordable housing transit walk ability	5/31/2019 1:27 PM
329	I would love to see a Whole Foods Market in the city of Palmdale to allow for a healthier shopping experience for community members with diet and/or health restrictions, fresh food bar and larger dietary food options such as vegan, vegetarian, gluten free, diabetic, etc.	5/31/2019 10:58 AM
330	Infrastructure: Palmdale has available land which cannot be developed without infrastructure: utilities, sewers, etc..	5/30/2019 12:23 PM
331	Create more residential zones and reduce the excessive regulation for housing and construction.	5/30/2019 11:01 AM
332	MORE AGGRESSIVE ATTACK ON CRIME.	5/30/2019 9:41 AM
333	Consistency in condition of roads and flow of traffic. Fix drainage in areas the have historical flooding issues.	5/30/2019 6:59 AM

337	More apartments or Condominiums with garages for a gated Senior living Communities that features a store a Starbucks a movie theater so that seniors can feel safe and not have to leave there Community unless they need to . I've seen this in Las Vegas and it's very impressive and it's very affordable senior living . They all have washer and dryers in each complex all Electric appliances . With overnight Security patrols on the premises.	5/30/2019 6:42 AM
338	We need an actual east/west Parkway (two devided lane in each direction) from the 15 freeway to the 14 freeway.	5/29/2019 10:43 PM
339	Traffic congestion around the mall has to improve. Illegal dumping in the unincorporated areas needs serious intervention.	5/29/2019 8:19 PM
340	Need Los Angeles county to have North County headquarters, services, and training facilities so employees and citizens can say off the freeway and do things closer to home	5/29/2019 7:11 PM
341	Less emphasis on automobiles	5/29/2019 7:04 PM
342	Reduce sprawl	5/29/2019 4:52 PM
343	affordable renewable energy options for all residents	5/29/2019 12:26 PM
344	Rent empty business spaces on palmdale blvd. Provide more after hour activities and jobs (i.e. 24hr Walmart and movies after dark). Provide business like Winco that are employee owned. Find ways for the unincorporated areas to grow with the city (i.e. reduce illegal dumping, sidewalks, bike paths, and back the lake in Lake Los Angeles).	5/29/2019 12:21 PM
345	I'd like to see a jazz club, comedy club, spoken word/amateur night or something like that. Somewhere young artists can express themselves and people can go for safe fun entertainment.	5/29/2019 10:03 AM

356	Things for teens to do for entertainment and club and organizations for teens	5/28/2019 4:38 PM
357	Shift away from "a great place to live" and into " a great destination." Rather than continuing to promote growth we should be establishing a place for the millions in the metro area to spend money on day/weekend holidays.	5/28/2019 4:34 PM
358	Traffic is getting worse and the city has wasted money installing bike lanes that 99.9% of people don't use and don't want. All bike lanes should be removed, additional vehicle lanes should be added, and to the extend possible under state law bicycles should be banned from roads.	5/25/2019 3:13 PM
359	Safety... Specific to prison reform and ability to properly and successfully reenter society, contributing to the positive growth of the city. Secondly, valid census reporting, which is imperative for necessary federal funding. Third, I hope for a city that we (as a community) would be comfortable knowing our grandchildren will be living in, as adults, 26 years from now. (Yr. 2045 )	5/25/2019 1:01 AM
360	Upscale condos and apartments to keep young talent in the community and good paying jobs for college graduates and skilled labor, not just service industry jobs.	5/24/2019 3:01 PM
361	Faster way to travel to/from LA. It affects my looking for a new job; I have to take into consideration a 3 hour train ride to downtown. I think our friends would appreciate a quick way to get here.	5/24/2019 11:31 AM
362	More jobs and less crime	5/23/2019 8:56 AM
363	Avoid mish mosh of industrial/business/apartments with single family homes. Transitional areas so things look appealing and make residential areas appealing. Maintain rural areas, they are beautiful. Trash dumping and clean up still needs more work.	5/22/2019 12:10 PM

370	planning for increased traffic due to growth in antelope valley	5/18/2019 8:58 PM
371	Safety & beautification. Making Palmdale feel like it's own community, instead of an access point to other places. The main thing I hear about Palmdale currently is that it's only a few hours to the beach, mountains, or Vegas.	5/18/2019 8:45 PM
372	- Lower crime rate - Animal protection/decrease animal cruelty/neglect/abandonment	5/17/2019 8:49 PM
373	More housing and jobs for the working class. I've always felt Palmdale has been one sided focusing only on the low income never the tax paper.	5/17/2019 9:21 AM
374	A beautiful, well connected, bike/walk/jog path that is not on busy streets would be amazing.	5/17/2019 5:59 AM

380	Housing and infrastructure.	5/15/2019 5:53 PM
381	Better desert scape views off of freeway exits. Water features throughout the city. An attractive city center that draws people in. Everything is too spread apart and not easily accessible by foot.	5/15/2019 12:25 PM
382	Bike lanes, infrastructure, parks	5/15/2019 7:29 AM
383	Affordable housing, safe walking and bike paths. More county offices, specialty medical care, more diverse cultural activities (celebrate the diversity of Palmdale residents) through music (reggae, blue grass, etc.), spoken word, special art installments, etc.	5/15/2019 6:49 AM
384	EXPAND/WIDEN 14 FWY!!!! INVEST IN OUR SCHOOLS DRUG PROGRAMS RETURN PARENTING CLASSES SOLAR PANEL ASSISTANCE PROGRAMS TO CITY RESIDENTS	5/14/2019 10:31 PM
385	The dumping. The dumping is out of control. Even though it's in open land, the open land is what makes our city beautiful. The desert has a beauty only we can appreciate and the dumping has increased so much over the last few years. We have to stop this. It's destroying our home.	5/13/2019 7:22 PM
386	Safty issues	5/13/2019 12:33 PM
387	Wish it had a strong community feel instead of a bedroom community feel. A strong cohesive plan is needed. Take care of the SAFETY issues first! No one feels safe when it's not unusual to see shoplifting, speeding cars, panhandling on medians, drinking and obscenity laced music playing in city parks, etc.	5/13/2019 11:12 AM

391	I hope Palmdale can continue to evolve in a positive manner, with decisions made to benefit the quality of life of the residents, and not developers and the left-wing loonies in Sacramento and downtown LA. Lancaster, for example, is a prime example of what NOT to do. Between the small lot "avanti" (look it up) development in Quartz Hill, the QH super walmart, the homeless shelter off I and 30th W, and the 300 unit low income apartment building adjacent to it. Lancaster's central planning has no rhyme or reason to it, with spot zoning abound and low income apartments mixed in with high-end single family homes. It is no wonder Lancaster has such a higher crime rate than Palmdale. I want Palmdale to have smart planning, key to which is smart zoning. We have to emphasize the westside as a high-end area, an alternative to Santa Clarita. As such, there should be NO low income housing in west palmdale, and the only apartments that should be built there should be of the high end, luxury variety. We also need some new, high-end, single family developments. the only good ones now are older. There are great parcels west of 50th, as well as the hills of rancho vista, where these could go. We need more high-end shopping and dining options around the mall. The sprouts is a good start, and we need other high end stores. We also need better restaurants, which I guarantee the market would support. Places like PF changs, a tepanyaki restaurant, Islands, Cheesecake factory, etc. The westside also needs more parks, but I hear strides are being made towards this. I am not entirely opposed to apartments, they just have to be luxury units with no low income components. The eastside is where the apartments can go, and also there's a lot of industrial zoning on the eastside that ought to be zoned to residential to help with the housing shortage. Basically, we cannot be like Lancaster and ruin the quality of life for the tax paying residents. We need to focus on high quality development that can make Palmdale a viable alternative to santa clarita, especially if we want to keep the aerospace employees living here, as opposed to commuting from santa clarita and other areas. As such, rancho vista needs to stay a clean, safe, nice area. I drive an audi and go around this area and I feel very safe. I do not feel as safe when I go to Lancaster, even on the westside. The retail currently in the area, like the walmart market center and the vons center, are very nice, and we need to preserve this by keeping away the low income apartments, instead of embrace them like Lancaster does.	5/9/2019 6:22 PM

401	I've lived in Palmdale over 30 years. Put low income housing near the transportation center, not spread out all over the city in low density areas. Palmdale has PROTECTED our low density lifestyle for decades. Don't stop now!	5/8/2019 8:43 AM

422	Law enforcement and deterring crime that seems to be rising with reports of armed robbery and such. Be stricter to deter those individuals from even thinking of crime in our valley	5/2/2019 9:42 AM
423	Safety and traffic control. More businesses to increase the labor force.	5/1/2019 8:45 PM
424	affordable rental apartments on the West side. senior housing. Senior facilities.	5/1/2019 5:42 PM
425	Pearblossom Highway is very unsafe. The road is full of potholes and there is no barrier between the lanes.	5/1/2019 2:10 PM
426	LESS low income housing. STOP BUILDING IT. We have way too many as it is. Stop catering to the ones NOT paying all the taxes. Do not do what Lancaster has done, they completely improve and upgrade the Blvd then build projects right next to it. That's NOT how to improve an area. You get them OUT, not cater to them unless you want all the high income taxpayers to LEAVE	5/1/2019 12:10 PM

430	Get rid of HUD home dumping by investors and require them to be licensed and regulated business owners , dramatically reduce crime by fighting back against the city of LA and the county for dumping their problems out here, voice up and stop allowing them to push the AV around, allow rancho vista to become their own city, divide the city into sections and representatives from each sector to voice those organic concerns, work on connecting neighborhoods and open areas to reduce open spaces for trash and squatting. Connect the city instead of the sprawling on the outskirts.	4/30/2019 7:33 PM

441	Larger library and road efficiency to reduce traffic in areas such as Rancho Vista and 10th Street West as well as Palmdale Blvd.	4/29/2019 10:08 AM
442	Our town has very little to offer young professionals. It has more to offer young families raising kids. My own grown children have no desire to ever move back here (after college) and I can't blame them. The cost of housing is reasonable compared to other parts of CA, but the job opportunities (besides Aerospace - which is awesome) and the appeal of our area and activities for young singles is lacking.	4/29/2019 9:41 AM
443	Better coordination of stoplights on busy streets. More roundabouts to reduce traffic and accidents. Faster public transportation to LA	4/29/2019 9:25 AM
444	Resurfacing roads, and add sidewalks all throughout on major roads.	4/29/2019 7:37 AM

445	Much cleaner and safer	4/28/2019 9:58 PM
446	Less crime.	4/28/2019 9:26 PM
447	More parks and activities for youth everything is down in the valley. It would be nice to have things to do here in the AV and have indoor options for when it's hot!	4/28/2019 9:04 PM
448	I think it would be smart future planning to incorporate overpasses to the train tracks on Sierra hwy in more places. Starting with Rancho Vista and Sierra hwy. this area is troublesome and if the city is going to rely on the incomes of aviation careers like that then it should address this. The daily traffic in the afternoon coupled with the high train traffic is a deterrent to new comers.	4/28/2019 4:49 PM
449	What's important to me has already been provided above!	4/28/2019 10:54 AM

453	A good college	4/27/2019 1:46 PM
454	Maintain a quality of life for families, available city life but still not completely urban. I love the fact that I can be in a neighborhood but then have the open desert right outside and in between neighborhoods. Maintaining core infrastructure while the city grows and embracing new technologies. Scaling EMS/Sheriff along with city growth.	4/27/2019 9:48 AM
455	East-West freeway (138) connection with #14.	4/27/2019 8:50 AM
456	Trash and litter clean up, increased health care access and jobs	4/27/2019 7:46 AM
457	Near more cops and firefighters! Crime is crazy out here with zero repercussions! A woman can't get gas or go to the store without being harrassed or mugged!	4/27/2019 7:35 AM
458	Specifically addressing why Black children are mistreated by Palmdale schools and parks and business owners.	4/27/2019 6:45 AM
459	Road repaving parks with trails	4/26/2019 11:06 PM
460	Continued public safety, more housing options...when was the last time a new apartment, townhouse, or condominium project was built?! More/better transportation opportunities like air service, train service (Briteline is a fantastic idea!) and improvement of the 14 freeway or other options for those who have to commute	4/26/2019 9:48 PM
461	Fiber Internet	4/26/2019 6:18 PM
462	I was unable to review the general plan. When I selected the link I was taken to a page that states it does not exist.	4/26/2019 5:56 PM
463	Education is suffering in our area. Teachers over worked and under paid, equity is unbalanced and schools are vulnerable to violence.	4/26/2019 5:51 PM
464		4/26/2019 5:09 PM
465	Educational opportunities and choices; stop attracting section 8, homeless, and others that don't positively contribute. Stop building walmarts and low end stores.	4/26/2019 3:55 PM
466	If there is a "City Center" or "downtown" the logical place would be near City Hall and the library complex. However, Sierra Highway and Palmdale Blvd (CA 138) are very busy with traffic. I like what has been done to create a more "green" space behind City Hall (going towards Legacy Commons). Maybe that could be developed as more of a "City Center" with shops, cafes, etc.	4/26/2019 8:48 AM
467	Self sustained city , living wages jobs locally Self governed city , good bye Los Angeles Bullet train to Los Angeles basin	4/26/2019 3:34 AM
468	Palmdale Blvd., it's our namesake yet has the most "opportunities for improvement" to put it kindly.	4/25/2019 11:48 PM
469	Job growth and community beautification. I have lived in my home since 1992; the old post office across the street has been abandoned for just as long.	4/25/2019 8:34 PM
470	Jobs with a living wage.	4/25/2019 8:21 PM
471	Safety, more things for seniors.	4/25/2019 7:55 PM
472	Airport/Infrastructure Upscale downtown. Resorts/Golf Getaway place.	4/25/2019 7:14 PM

473	Transportation between counties. Pave roads, sidewalks on streets, create community "cool off areas" for prevention of people over heating. Also, public transportation out of town after 6pm would be nice. Shuttles to and from the City cultural area for residents that live far on the east/west.	4/25/2019 6:01 PM
474	Large employers MUST be brought in. With some large employers leaving in the last 5 years, there are limited opportunities for career focused employment. That, coupled with rising housing costs, is crippling the middle and low income classes.	4/25/2019 5:45 PM
475	It is extremely important that we have a place that can be preserved for the purpose of teaching our young people the importance of presevation of our land and the preservation of WATER	4/25/2019 5:42 PM
476	Proper funding to art programs in schools	4/25/2019 4:25 PM
477	Safety, popular restaurants, entertainment, education	4/25/2019 4:22 PM
478	More local jobs to alleviate rush hour commuter bottleneck. More services for at-risk youth. Expand airport for more commercial flights as alternative to LAX/Burbank. Completion of high-speed rail to alleviate commuter stress and create more jobs.	4/25/2019 3:57 PM
479	More safe areas for kids, better schools, no section 8, get homeowners to take care of their property by assessing fines.	4/25/2019 3:54 PM
480	If our city is going to improve something then do it. How many times has the airport been opened and closed? How much infrastructure has been left to crumble? It's been half baked ideas that went nowhere for decades	4/25/2019 2:50 PM
481	do more about the crime	4/25/2019 2:02 PM
482	The general plan should address sustainability efforts and climate change mitigation. I'm disappointed to see no mention of such priorities in the options presented above. We're in the desert, water is limited and summers are already rough — what can the city do now to prepare for a harder climate future?	4/25/2019 1:38 PM
483	Housing and the amount of transient population the Antelope Valley is experiencing.	4/25/2019 12:25 PM
484	Projects for employment, walkable Streets, and also that Palmdale help Lancaster to improve because it is a mob of a race trying to get hardworking people to leave.	4/25/2019 11:38 AM
485	Budget. Water. Safety. Healthy lifestyle.	4/25/2019 11:29 AM
486	high crime rate and transients	4/25/2019 11:24 AM
487	Solar on roofs instead of placing solar in wilderness areas. It was pretty depressing seeing that huge solar farm in the foothills among the poppies. I'm a life long Palmdalian and our deserts are a beautiful and fragile ecosystem. I guess some environmentalist and energy companies think we are a wasteland.	4/25/2019 10:08 AM
488	City focused on green sustainability. Would like to see it go on 100% renewable energy as well as go carbon negative.	4/25/2019 9:14 AM
489	Farmer's Market's, Fresh Meat Markets, Fish Market, Soul Food Restaurants, more store options in the Antelope Valley Mall	4/25/2019 9:12 AM
490	More full-time jobs for English speakers.	4/25/2019 8:49 AM
491	New developments should be concentrated around existing empty lots that are surrounded by developed areas rather than continuing sprawl along the edges of the city.	4/25/2019 8:27 AM
492	Keep west and east palmdale as one palmdale the discrepancies are highly notable in terms of housing, education, safety, street care, and policing	4/25/2019 8:22 AM
493	Better access to freeway near mall by adding another south bound 14 on ramp behind Applebys/Verizon store to alleviate traffic at 10th st. and Rancho Vista.	4/25/2019 8:17 AM
494	I won't be alive then.	4/25/2019 8:05 AM
495	Less bike lanes, better roads, get rid of the gangs so we can travel at night without fear.	4/25/2019 7:53 AM
496	Crime and safety. Homeless people would not be able to panhandle on every street corner of the city, traffic signals need to be addressed especially at Ave P. More affordable child education activities for middle income families.	4/25/2019 7:29 AM
497	New housing options.	4/25/2019 6:28 AM

498	Same answer to #9. Plus add healthy markets, restaurants, TFIF restaurant, soul food restaurants, things for the youth to do RE skate park.	4/25/2019 6:01 AM
499	Clean up the crime and bring more jobs to town so people don't have to commute into LA. This is imperative to having a better community.	4/25/2019 5:57 AM
500	Better police patrolling around crime ridden neighborhoods	4/25/2019 5:19 AM
501	Elimination of homeless camps, unwelcoming to panhandlers/street people, immediate graffiti remediation, immediate removal of illegal dumping, major limit/no longer accepting of section 8 vouchers, more law enforcement. Assistance for primary residence home owners with lawn upkeep (retired and disabled). Name change?... "Palmdale" has a bad connotation and is getting worse. Add an amazing sports park (like Silverlakes Equestrian and Sports Park in Corona,CA).	4/25/2019 4:14 AM
502	Improve city streets - fix potholes and uneven surfaces, more good paying local jobs, diversify economy, more cultural opportunities	4/25/2019 3:00 AM
503	Better education. To be honest im not sure because my children go to school in the SF valley, but i just have heard that the education here is very limited. That there is only like 3 or 4 great schools and the rest are below average. We should hold all schools, faculty, and child accountable for our future.	4/24/2019 10:26 PM
504	Violence, traffic enforcement, less section 8, community pride, homelessness needs to be addressed, and more opportunities for veterans.	4/24/2019 9:54 PM
505	Plan to stop and or clean up desert dumping	4/24/2019 9:41 PM
506	safety and quality of life should be at the top or their list	4/24/2019 9:09 PM
507	Public transportation and youth programs	4/24/2019 9:05 PM
508	Traffic traffic traffic	4/24/2019 9:01 PM
509	Widen the roads	4/24/2019 8:53 PM
510	Add a theater, a museum, or other attraction for youth and residents to visit. There's lots of culture here.	4/24/2019 8:51 PM
511	Vagrants, begging and homelessness. Drug problems in our communities. And overall more or better social outdoorsy places to meet or walk.	4/24/2019 8:36 PM
512	Develop Eastside, revitalize Palmdale Blvd, Local high paying jobs.	4/24/2019 7:48 PM
513	Road repair	4/24/2019 7:21 PM
514	traffic by the mall, specifically on 10th St West from the freeway to the Best Buy shopping center; no more solar farms, more single family homes, more restaurants like Boston Market, Fuddruckers, Islands.	4/24/2019 6:27 PM
515	Less crime, more jobs, better restaurants	4/24/2019 6:19 PM
516	Education system.	4/24/2019 5:40 PM
517	Upgrade streets, safer to walk or bike. Better schools. Some kind of place to hang out and unwind after work and meet the neighbor's and people from the city.	4/24/2019 3:36 PM
518	The Anaverde area needs more sidewalks and public transportation. Also clean up more illegal dumping.	4/24/2019 3:08 PM
519	Vagrancy and crime rate needs to be reduced. West side Palmdale could use additional shopping and dining options.	4/24/2019 2:51 PM
520	Provide greater public transit, retail and restaurant services. Open PMD airport to passenger and cargo services.	4/24/2019 2:51 PM
521	Cleanup areas around City Hall. Much of the higher density housing within a half mile radius of City Hall is run down, littered with rubbish (trash, broken down vehicles, discarded appliances, unkempt landscaping).	4/24/2019 1:44 PM
522	Codes and regulations that are flexible enough to allow good development, stringent enough to restrict poor quality development. Encourage nation wide best practices in development, planning, and city projects.	4/24/2019 1:24 PM
523	City should build sewers, provide electric lines, water lines , etc.. to encourage development of housing.	4/24/2019 11:26 AM

524	Other easy means of transportation in and out of Palmdale. Example speed train or mono rail linked up to Las Vegas and Los Angeles. Tourism can be big source of economical income!	4/24/2019 10:13 AM
525	Fast reliable transportation from east to westside, new development and help reinvent and redevelop older parts of the city, attractions to bring people to palmdale.	4/24/2019 10:04 AM
526	Use of renewable energy, community gardens	4/24/2019 9:56 AM
527	Condominiums in nice areas, that are kept nice with no Section 8 housing.	4/24/2019 8:12 AM
528	Keeping our city clean especially after elections make sure all candidates remove posters from the streets!!! And fix our streets!!!	4/24/2019 7:55 AM
529	Homeless problem needs to be solved. Fixing our roads continuously and attracting businesses by lowering current restrictions. I'd like to also see more hip businesses such as yoga studios, juice bars, local coffee shops.	4/24/2019 6:51 AM
530	Need the airport to support commercial travel	4/24/2019 4:52 AM
531	I think we need to stop reminding ourselves that we're in a desert putting cactuses everywhere like our mascot, and we need to get ourselves a landmark/Statue/artwork that stands out represents us and makes us proud to be Palmdale residents, I want us to be in the news for good things like competitions and not for criminal activities.	4/24/2019 4:39 AM
532	Less homeless	4/24/2019 4:04 AM
533	Maintaining roads. Keeping Palmdale an attractive place for businesses. Keeping crime low.	4/24/2019 12:59 AM
534	More police officers cracking down drug dealers, clean deserts, more ER hospitals	4/24/2019 12:00 AM
535	Don't let areas get run down.	4/23/2019 11:35 PM
536	The public school system pretty bad in terms of education and overcrowding. We need smaller class sizes in order to adequately teach students.	4/23/2019 10:00 PM
537	Need to attract more young families with good jobs in upcoming fields. Also need various types of housing. Not everyone can afford to buy a house in California. New apartments or renting options in safe areas. We also need more entertainment options.	4/23/2019 9:56 PM
538	Transportation, Economic Development	4/23/2019 9:51 PM
539	Airport...It would be great to see an airport locally. I think the City can benefit greatly along with its residents and we are the only City that has the open space to get it done. I believe if you get commercial airlines into the City other businesses will follow through. There has been talks with a convention center also but haven't heard anything else about it.	4/23/2019 9:23 PM
540	Attract more employers other than aerospace, they're the only decent paying jobs	4/23/2019 8:37 PM
541	Definitely safety. Also more activities for us to do like Dave and busters... an upgraded mall would be nice.	4/23/2019 7:34 PM
542	I recently moved to Palmdale a month ago and living in Los Angeles ( Hollywood ) for the past 31yrs I can see that Palmdale needs a lot more patrolling during day and night time. The street are to quite therefore there's lots of burglary issues.	4/23/2019 7:04 PM
543	Schools	4/23/2019 6:50 PM
544	Making sure we don't forget about the already established communities in Palmdale.	4/23/2019 6:15 PM
545	Homelessness and panhandling.	4/23/2019 6:14 PM
546	what resources are available and how will they limit or control growth and design	4/23/2019 6:03 PM
547	The streets being improved of course a few or 1 big homeless shelter more jobs and a lot of youth programs let's make Palmdale a fun place where people families enjoy they're selves	4/23/2019 5:51 PM
548	- Equity - Health and Wellness - Transportation - Workforce Development - Attracting desirable businesses - Investment in our youth - Being inclusive	4/23/2019 5:37 PM
549	More police officers on the streets	4/23/2019 5:30 PM
550	Better jobs, better quality of life, larger Sheriff's Department and reduced crime.	4/23/2019 5:25 PM
551	More jobs, shopping, more parks and culture recreational opportunities.	4/23/2019 5:22 PM
552	Things that are important to me are safety. More police presence, jobs, education opportunities.	4/23/2019 5:14 PM

553	Traffic light calibration. More single home dwellings at affordable cost and JOBS	4/23/2019 4:57 PM
554	Bringing in business and homes for a younger crowd, something to get the young crowds to come here.	4/23/2019 4:50 PM
555	CPTED, infill development, alternative transportation especially increasing the amount of bike lanes and education around biking (both to drivers and to cyclists), decreasing VMT, creating complete streets to attract pedestrians and cyclists and to encourage cars to slow down through street design, increase street safety especially around schools, decrease the amount of cookie cutter subdivisions, increase healthy food access, decrease parking requirements for big box stores, encourage mixed use in downtown area, increase connectivity throughout the community( discourage loop and lollipop subdivisions), increase pedestrian street crossings in heavily visited areas to encourage walking, discourage leapfrog and greenfield development, oh and did I mention REDUCE THE DANG SPEED LIMITS if not through regular CalTrans road surveys then through street design. The lack of bike lanes and the enlarged shoulders give cars the illusion they can go as fast as their heart desires.	4/23/2019 4:42 PM
556	I think using the general plan to address current and future public health concerns (ie. Homelessness, drug abuse, individual health and climate change) should be a top priority of the plan	4/23/2019 4:39 PM
557	Was surprised Palmdale only had one library. Took my 10 year old daughter and it was a horrible experience! She said it was scary, disgusting and dirty! A friend sent us to Quartz Hill Library and what a difference! We weren't afraid, it was clean and the homeless weren't camped out in it! It was the first thing I have not liked in Palmdale. I am shocked that this is what the city represents with their choice of library. My daughter is in the gifted program at school and does not even have a good place to go and build her education at her local library. Sad!	4/23/2019 4:36 PM
558	The roads needs to be maintained and wider. We need something big and special that people from other cities and come to palmdale just to visit.	4/23/2019 4:24 PM
559	Build less apartments, less section 8 programs. Bring more jobs to lessen the traffic	4/23/2019 4:17 PM
560	More deputies and maybe bringing over Los Angeles County Sheriffs Department Sheriff Security Officers to relieve the deputies of less important calls so they attend to more urgent calls. And seeing some of the older homes maybe bought and make the east side look nicer.	4/23/2019 4:10 PM
561	Litter, environmentally friendly, vegan options.	4/23/2019 4:06 PM
562	Quality repair of roads. Not just slopping thick black paint on the road and saying it is repaired.	4/23/2019 3:57 PM
563	better integration with the surrounding desert and the City like how they do in the City of Tucson Arizona	4/23/2019 3:51 PM
564	Variety of housing options, walkability, sense of community or distinct neighborhoods, shops or dining options that create a sense of place and are enjoyable to walk around without having to use a car to get to every new spot, attract and retain younger generation with housing, jobs and entertainment	4/23/2019 3:50 PM
565	Job creation. Make Palmdale Blvd a REAL BLVD!!!	4/23/2019 3:44 PM
566	Traffic, congestion in current and future shopping centers, homelessness and panhandling, empty lots and cleanliness of open space, recreational opportunities	4/23/2019 3:42 PM
567	housing that is affordable and offers close shopping/ life amenities.	4/23/2019 3:41 PM
568	Job growth, housing options	4/23/2019 3:15 PM
569	Consider how drone deliveries will change community needs, consider how electric-autonomous air taxis will change the community. (Commercial flights to airport-air taxis to surrounding communities?)	4/23/2019 12:53 PM
570	High speed train would be great for our area	4/23/2019 8:36 AM
571	Road improvements	4/23/2019 7:09 AM
572	Generational diverse entertainment so people no longer have to drive down below for national/ international performances	4/22/2019 8:19 PM
573	Growth with more home, luxury condos, safe places for the community to socialize, better traffic management, more sustainable jobs.	4/22/2019 5:42 PM

574	We need more diversity in housing...condo/townhouse type rentals and to buy...east and westloopside	4/22/2019 5:12 PM
575	Create connectivity; slow down traffic; create an identity for the city; celebrate cultural and other forms of art; celebrate our diversity of residents; foster small business development and entrepreneurship	4/22/2019 2:57 PM
576	possibly a local college (not AV College) and more business that provide lasting job employment	4/22/2019 2:23 PM
577	Giving the community freedom to express themselves via murals and community-driven art (not from outside of the AV).	4/22/2019 2:21 PM
